COLLEGE

Graduate &  
Professional Studies

# MASTER OF BUSINESS ADMINISTRATION

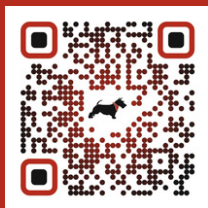

## ON-CAMPUS

The On-Campus MBA program at Thomas College is open to students from all academic and experiential backgrounds and is designed to get you into a leadership role in business. In less than a year, we will build upon your prior knowledge, develop essential business tools, and apply real world experiences. Our classes and curriculum are designed by instructors who bring corporate and non-profit expertise to every course.

# 28%

Higher lifetime earning  
potential for those with  
a master's degree.
