Thomas College prepares students for success in their personal and professional lives, and for leadership and service in their communities. Thomas provides a supportive learning environment that values the needs and goals of individual students. At Thomas, students discover and fulfill their unique potential. Each program at the College promotes professional excellence, informed by ethics and integrity.

The College is committed to quality teaching and to the application of technology at both the graduate and undergraduate levels. Thomas offers broad opportunities for professional development and promotes economic prosperity through long-term community partnerships.

Diversity Statement

Thomas College is committed to promoting a diverse community in an atmosphere of mutual respect. We recognize and appreciate diversity in relation to race, color, national origin, religion, sex, sexual orientation, gender identity and expression, veteran status, age, socioeconomic status, and disability. Prominent among the values that define the Thomas College community is civility, which includes mutual respect, fairness, and appreciation of differences. All members of the college are called upon to promote and value this ethic of common respect and civility.

Note: The “Safe Space” sticker, as seen on hundreds of college campuses nationally, sends an important message to lesbian, gay, bisexual and transgender (LGBT) students, colleagues and their allies. The message is one of understanding, non-judgment and knowledge of LGBT persons’ needs and concerns. It is symbolic of willingness and a commitment to provide an atmosphere of unqualified acceptance and assistance and is obtained after completion of a training session provided during the academic year.

Table of Contents

The Student Handbook is intended as an introduction to Thomas College for new students and as a reference manual for upper-class students. We hope the Handbook will help you find your way around campus and assist you in discovering resources to expand your intellectual, social, emotional, and physical growth. Since this is a reference manual, it may not include complete information. We hope that you will use it to find your way to the people who can provide you with more information.

The Student Handbook is produced by the Student Affairs Office. Material was supplied by a number of departments, individuals, and offices of the College and was accurate at the time the copy was sent to the printer. Given the changing and developing nature of the College, complete accuracy past the date of compilation – June 30, 2018 – cannot be guaranteed.

STUDENT SERVICES

ATHLETICS

(Ayotte Center: Shanda Ness, Director, Room AD-219, Ext. 404)

Mission

Thomas College Athletics enhances academic and professional success through excellence in competition, sportsmanship, leadership and service.

Support of the College's Mission and Vision

The Department of Athletics supports the institutional mission and vision by recruiting student-athletes who are a "good fit" with the College's learning environment and academic offerings. As an extension of the traditional learning environment, the Department of Athletics reinforces the values and characteristics necessary for success both while on campus and after graduation. Finally, they support the full integration of student-athletes into the campus community from entrance to graduation.

CAMPUS SECURITY/PUBLIC SAFETY

(Lobby of GPH Residence Hall: TBD, Director, Ext. 399)

The Department of Public Safety is responsible to ensure reasonable protection of persons, property, and facilities of the College. The department is staffed 24 hours a day, seven days a week, 365 days a year. Our Officers are responsible for policy and parking enforcement, security of facilities, emergency response and incident investigation. They perform foot and vehicle patrols of the campus and conduct rounds throughout campus buildings. The department is also responsible for campus parking permit registration and audits of campus lighting and life safety devices. The Director of Safety & Security is a member of the Student Affairs staff, which strives to provide a safe and healthy campus environment.

Campus Crime Report

The Jeanne Cleary Disclosure of campus security policy and campus crime statistics act (Cleary Act) requires all colleges and universities to provide campus crime statistics to current students, faculty, staff, and to prospective students upon request. The Thomas College Security Report is available to the College community by October 1st of every academic year and can be viewed at www.thomas.edu/publicsafety/, or a hard copy is available in the Student Affairs Office upon request.

Communications

Thomas College strongly encourages students to provide mobile phone numbers as a means of communications for emergency contact and notification.

CPR and Automated External Defibrillator (AED) Classes

The Office of Public Safety can coordinate CPR and AED classes for interested student(s) or small campus groups. Participation will be limited to allow for appropriate participant to instructor ratio.

Lost & Found

All items should be brought to or claimed at the Public Safety Office. Lost and found items will be disposed of 30 days after the end of each semester if they are not claimed.

Motor Vehicle Registration

All members of the Thomas College community must register their vehicle with the Public Safety office in order to obtain a parking sticker. Place the issued decal on the rear window of your vehicle on the driver's side. If this window is tinted, place the decal on the driver's side of the front window. The fee for parking stickers is \$5/year. Snowmobile and ATV use are not allowed on College property.

To have a vehicle on campus:

- The vehicle must have a valid state registration;
- Disabled or inoperative vehicles are not permitted to be parked on campus;
- Resident students may only have one vehicle parked on campus (exception: residents can have a motorcycle and a vehicle).

Parking and Traffic Violations:

In an effort to ensure the safety of motorists and pedestrians in our community, as well as to maintain effective parking for students, faculty, staff, visitors and guests, our Public Safety Officers frequently patrol campus and monitor for traffic and parking violations. Violations can result in a written warning or citation with associated fine. When a citation is issued, the registered vehicle owner (student) will receive an emailed notification of the violation and fine amount. Fines will be automatically added to student accounts within 7 days. Students may appeal a fine within 7 days from the date that the citation was issued by contacting the Director of Safety and Security and requesting a meeting in person.

Please be advised that the Thomas College Public Safety Department reserves the right to tow vehicles from specific lots or from campus entirely at the owner's expense in the event of repeated or significant traffic & parking violations. In addition, parking privileges on campus may be revoked at the discretion of the College.

A complete list of campus parking and traffic rules can be found on the Thomas College Public Safety web page.

Safety Whistle Program

The safety whistle program is open to all members of the Thomas College community and is sponsored by the Offices of Student Life and Public Safety. The engraved whistles are designed to be attached to a key chain or ID wallet; a whistle is issued once a contract is signed, agreeing to the rules and regulations of the program. Carrying a safety whistle is a significant responsibility and should be used only if you feel threatened or need to call attention to an emergency situation.

Community members who sign out a safety whistle:

- understand that having a safety whistle is a significant responsibility.
- understand that the whistle should **ONLY** be used if feeling threatened, in immediate danger, or if needing to call attention to an emergency situation.
- understand that to blow this whistle without due cause is a violation of the contract and may result in judicial referral.

Community members who hear a safety whistle or like instrument being blown:

- should do their best to seek help by calling Public Safety immediately (207-859-1399).
- should do their best to seek help by contacting an RA, Public Safety officer, or another Thomas College professional close by.
- should, if able and safe, approach a person blowing the Thomas College safety whistle to ask how they can help.

Blowing a safety whistle or like instrument without due cause may result in a firm judicial sanction. This sanction may include a minimum \$100.00 fine and applies to all Thomas College community members regardless of a signed contract. Any person seeing or hearing a safety whistle or like instrument being blown without due cause should report the incident to Public Safety, a Resident Assistant, or a member of the Student Affairs staff immediately.

Self Defense Classes

The Office of Public Safety offers self-defense classes during the academic year. Students will be notified by e-mail of the class date and time. Additional workshop offerings can be made available to interested student groups through coordination with Public Safety.

Snow Removal Policy

On the day when a Snow Removal Protocol is requested by Maintenance, Public Safety will post signs and send an e-mail to students. Students are expected to move their vehicles in order for Maintenance to plow the parking lots by specific times. Vehicles should be moved to other campus lots as directed by the times designated below. Vehicles should not be

returned to the resident lots until snow removal is completed.

- Vehicles in the South Lot must be moved from unplowed sections by 9:30 a.m.
- Vehicles parked in the GPH, A, B and C Lots must be moved by 10:00 a.m.
- Vehicles parked in the Bartlett, Hinman and Village Lots must be moved by 12 Noon.
- Vehicles parked in the Townhouse Lots must be moved by 2:00 p.m.

Owners of vehicles that are not removed from these lots by the designated time will be fined \$50.00.

Borrowing Rules

All library materials are checked out and returned to the library at the Service Desk.

Books borrowed from the library are due three weeks from the initial loan date and are subject to recall before the three-week due date. Students have ten days from the date of the recall notice to return a recalled book without penalty. DVDs are due seven days from date of checkout.

Books, videos, journals, photocopies, and other materials assigned by instructors as required or suggested course supplements are placed on reserve and are stored behind the Service Desk. To ensure ready and consistent student access to materials, reserve materials may not be removed from the library.

Audio-visual equipment and computers are borrowed by the hour from the library and are due back by the end of the approved loan period. All equipment must be returned on time or patron will accrue fines. Due dates for Interlibrary Loan items vary by the lending library and are determined at the time of check out at the Thomas College Library. The library does not provide long-term equipment loans and does not allow equipment to be taken off campus over breaks.

Fees & Fines Policy

The purpose of the Fees and Fines Policy is to encourage the prompt return of borrowed library materials and equipment so that they can be available for use by other library patrons. In general, the policy applies to materials and equipment borrowed from the Thomas College library, to recalled materials and to all categories of borrowers: students, faculty, staff and others. When materials are needed by another borrower, the Library sends a recall notice to the current borrower with a new due date, which supersedes the original due date.

A borrower’s responsibility does not end until material has been returned and discharged by the library service area. Return receipts are available upon request. Please keep in mind that it is also a borrower’s responsibility to understand what will occur if borrowed items become overdue, damaged,

or lost. Questions should be addressed to library personnel.

Borrowers are expected to respond to all library recall and fine assessment notices. Please report any discrepancies promptly to the library service area from which the material was borrowed. Fines will be tiered, based upon length of time overdue. All fines shall be non-refundable. If an item has been overdue more than 48 hours, the information will be sent to Student Financial Services to be billed for replacement plus all fines. Student library users are subject to the following schedule of fees and fines.

Fines Schedule

- Regular circulating materials (books and movies) - \$1.00 per day, with a maximum of \$10.00 per item.
- Recalled materials - \$5.00 per day, up to a \$50.00 maximum.
- Reserve items - \$5.00 per hour, up to \$25.00 per day.
- Interlibrary loans – overdue fees vary by the lending libraries; some libraries may charge a flat fee of up to \$70.00 for each unreturned item.

Lost, Damaged or Unreturned Items

- The fee for lost or damaged books and DVDs will be \$75.00 per item, plus a non-refundable \$10.00 processing fee. If the replacement cost of an item exceeds the \$75.00, the user will be charged the full replacement cost of the item plus the processing fee.
- If recalled materials are not returned at the time the maximum fee is reached, the user will also be billed for the cost or replacement.
- Users who remove Reserve items from the library will be charged the full replacement value of the item plus a non-refundable \$10.00 processing fee.
- Students who do not return inter-library loan materials will be charged a replacement and processing fee set by the lending library.
- Damaged inter-library loan materials are subject to the same replacement charges as items not returned.
- Exceptions to the fine schedule may be made at the discretion of the Director of Library Services.

Circulating Equipment

The equipment available for loan to Thomas College users supports classroom and academic activities and institutional programs. This equipment is loaned on an hourly basis. Late fines for audio-visual and computer equipment are calculated at the following rate:

- For every hour equipment is overdue, users will be charged \$5.00 per hour up to a maximum of \$50.00 per day, per item.

-
- Cords and peripherals will also be billed if not returned before 48 hours of overdue status. At the same time, a non-refundable \$10.00 processing fee shall be added to the patron charges.
 - Damaged or unreturned items will result in a bill to the user for the full replacement value of the item plus a non-refundable \$10.00 processing fee (for the cost of replacement).

Abuse of Privileges, Theft or Mutilation

The Thomas College Library may suspend privileges to any user who regularly fails to return materials or equipment in a timely manner and/or may seek criminal prosecution or civil sanctions in cases of theft or mutilation of library materials.

"Thomas College prepares students for success in their personal and professional lives, and for leadership and service in their communities."

~ From the Thomas College Mission Statement

I. Communications

Thomas students communicate effectively and persuasively, demonstrating an awareness of audience and the use of a variety of forms, oral and written, print and electronic. Students demonstrate their creative skills as well as their abilities in organization, presentation, and the development of form and content.

II. Leadership and Service

III. Critical Thinking, Analytical Reasoning and Problem Solving

Students demonstrate the ability to conduct research, to collect, evaluate and organize appropriate information, and to apply analytical, scientific, and mathematical concepts using both traditional and technologically based models. They exhibit an ability to approach questions in a creative and logical manner and to use innovative approaches to problem solving. Students communicate their findings using the appropriate tools for a specific problem or project.

IV. Community and Interpersonal Relations

Thomas students demonstrate an awareness of individual responsibility, and the relationship of the individual to the community and to society. They demonstrate an ability to consider influences such as personality, economics, politics, religion, race, class or gender in issues that affect the individual and the community.

Thomas College Diversity Statement

Thomas College is committed to promoting a diverse community in an atmosphere of mutual respect. We recognize and appreciate diversity in relation to race, color, national origin, religion, sex, sexual orientation, gender identity and expression, veteran status, age, socioeconomic status, and disability. Prominent among the values that define the Thomas College community is civility, which includes mutual respect, fairness, and appreciation of differences. All members of the college are called upon to promote and value this ethic of common respect and civility.

ACADEMIC HONESTY

Students are expected to do assigned work themselves, to write papers in their own words (extensive quoting suggests a failure to master the material), and to cite sources appropriately and accurately. Taking credit for work not one's own is a serious offense. It can take several forms:

1. **Plagiarizing.** According to the 1999 *MLA Handbook*, "To use another person's ideas or expression in your writing without acknowledging the source is to plagiarize" (30). The *Handbook* continues, "Forms of plagiarism include the failure to give appropriate acknowledgement when repeating another's wording or particularly apt phrase, when paraphrasing another's argument, or when presenting another's line of reasoning" (30). A student's failure to properly cite and document sources may constitute plagiarism, even if there is no deliberate attempt or intent to misrepresent the work in question.
2. **Aiding and abetting plagiarism.** Permitting others to use your work.
3. **Recycling your own work.** Submitting, without permission, in one course work originally done for another.
4. **Cheating.** Copying from another student's exam paper; permitting others to copy one's work; bringing unauthorized material to exams; accepting or giving unauthorized assistance on coursework and/or assignments.
5. **Subbing.** Replacing another student, or asking another student to replace you, for the purpose of taking a quiz or exam.
6. **Altering.** Changing grades or marks on papers or exams; unauthorized use or alteration of College add/drop or other forms.
7. **Falsifying.** Falsification or fabrication of research results, quotations, facts, and/or references.

Penalties

First offenses of academic misconduct in the context of a course will be dealt with by the course's instructor. Instructors are expected to inform the Academic Affairs Office of any instance of alleged academic misconduct.

Once a faculty member has made a determination of academic misconduct, students will be informed as soon as reasonably possible of the offense and penalty in writing and may appeal in writing to the instructor within 72 hours. Penalties for the first offense may range from failing the particular assignment at issue to failing the course. A student normally will not be allowed to withdraw from a course to avoid the consequences of a finding of academic misconduct.

Should the student wish to appeal the instructor's finding of academic misconduct, he or she may file a written appeal with the school chair within

one calendar week of the decision of the instructor. After consultation with the instructor and the student, the school chair may deny the appeal (in which case the decision of the faculty member stands) or accept the appeal and recommend an appropriate course of action. (If the faculty member in question is the school chair, the other school chair will function in his or her capacity during the appeals process. Should the alleged misconduct be reported in a CED or Graduate course, appeals would be referred to the Assistant Dean of Graduate and Continuing Education.)

Should the faculty member or the student wish to appeal the decision of the school chair (or that of the Assistant Dean of Graduate and Continuing Education), that appeal should be made in writing to the Chief Academic Officer (CAO) within one calendar week of the school chair's decision. The decision of the CAO is final.

Students who are reported to the Academic Affairs Office for an alleged second offense (or any alleged subsequent offense) will have their cases automatically referred to the Academic Affairs Committee for review. In cases where the CAO has been involved in a formal appeal of the incident in question, he or she will be replaced on the committee by the Chief Student Affairs Officer. The Academic Affairs Committee may choose to recommend an additional penalty to include academic disciplinary probation or dismissal.

Decisions of the Academic Affairs Committee may be appealed to the Appeals Board within one calendar week of the decision of the Academic Affairs Committee. Appeals must be based on the basis of new information or when there is reason to believe that proper procedure has been violated but may not be appealed solely on the basis of dissatisfaction with the sanction. There is no further appeal beyond the Appeals Board.

ACADEMIC WARNING, PROBATION AND DISMISSAL

Academic Warning

A student whose semester grade-point average is below 2.00 but whose cumulative grade-point average remains 2.00 or higher will receive an academic warning. Students enrolled in 5-year programs with a cumulative GPA below 3.0 may be placed on warning; and students in 5-year programs with a cumulative GPA that drops below 2.0 will be shifted to the corresponding 4-year program.

Academic Probation Guidelines

The Academic Affairs Committee makes decisions about academic probation on a case-by-case basis. The following guidelines are considered (but are not binding):

Four-Year Programs

0-29 earned credits	1.30-1.99
30-61 earned credits	1.75-1.99
Above 61 earned credits	1.90-1.99

Two-Year Programs

0-16 earned credits	1.00-1.74
Above 16 earned credits	1.85-1.99

A student on probation receives a letter from the CAO prescribing cumulative grade-point averages and other conditions that must be met in order to ensure the student's continued enrollment. A student who fails to meet the terms of his or her academic plan may be dismissed from the College unless the Academic Affairs Committee makes an exception because of extenuating circumstances. A probation student who fails to achieve the minimum cumulative grade point average described in the dismissal section below may be dismissed after only one semester on probation.

Satisfactory Academic Progress

The Academic Affairs Committee considers this combination of credits and grade point averages as guidelines for satisfactory academic progress. Any student who adheres to the terms of his or her academic plan is considered to be making satisfactory academic progress.

Four-Year Programs

0-.50 Cum GPA	Subject to academic dismissal (no appeal)
0-5 earned credits	Subject to academic dismissal (no appeal)

0-5 earned credits	Subject to academic dismissal (no appeal)
6-29 earned credits	Below 1.29
30 credits or above	Below 2.00

The Academic Affairs Committee will consider for dismissal any student who fails to meet these guidelines for satisfactory academic progress.

Academic Dismissal Guidelines

When, in the opinion of the Academic Affairs Committee, a student is not

making satisfactory academic progress, the student may be dismissed from the College, whether or not he or she had been previously placed on academic probation. Dismissal may occur at the end of any academic term. The Academic Affairs Committee makes decisions about academic dismissal on a case-by-case basis. The following guidelines are considered (but are not binding):

6-29 earned credits	Below 1.29
30 credits or above	Below 2.00

In addition, a full-time student who earns fewer than twelve credits per semester jeopardizes his or her good academic standing, financial aid, and right to on-campus housing, and may be dismissed from the College at the discretion of the Academic Affairs Committee.

A probation student who fails to achieve the minimum cumulative grade point average described in this section may be dismissed after only one semester on probation.

A student dismissed from the College for academic reasons may appeal his or her dismissal by submitting a written request to the CAO. At that time, students may present new evidence of their ability to satisfactorily continue their studies. The student may meet with the CAO, at which time the CAO may allow the dismissal decision to stand, reverse the decision, or readmit the student under specific conditions. A student dismissed a second time may not appeal the dismissal, unless the CAO makes an exception.

A student who has been dismissed from the College because of poor academic performance may apply for readmission after one full semester away (not to include the summer session). The CAO must approve the readmission of an academically dismissed student.

Unless otherwise restricted by the Academic Affairs Committee, a student on academic probation is permitted to participate in college activities if the student is making satisfactory academic progress. Any upper-class student athlete who is making satisfactory academic progress when a sports season begins shall be eligible until the end of the season.

Students, including part-time students and those in the Graduate and Professional Studies division, whose lack of reasonable academic progress (measured by earned credits) cannot be attributed to extenuating, non-academic circumstances (such as military service, medical leave, or financial hardship) may be placed on probation upon review by the Academic Affairs Committee.

Academic Disciplinary Dismissal

Students who violate academic policies or in some other way behave inappropriately in any academic setting may be placed on disciplinary probation by the CAO. Students who violate disciplinary probation will be referred to the Academic Affairs Committee (including the Vice President for Student Affairs) to be considered for dismissal from the College.

Faculty may drop a student from a course because of excessive absences or because of student conduct judged inappropriate by the faculty member.

Graduation Information

The responsibility for meeting the various prerequisite, degree, and graduation requirements rests with the student. It is the student's responsibility to submit an Application for Graduation to the Registrar's Office no later than January of the year in which he or she expects to graduate.

A student who is substantially certain to complete his or her degree requirements during that calendar year will be permitted to participate in commencement exercises in May. Substantial certainty exists when, at the time the degree candidate list is published, the Registrar certifies that in his or her opinion the student will satisfactorily complete the required course work by the end of that calendar year. If the student fails to do so, the degree cannot be awarded. In such cases, the date when the degree requirements are met will be indicated on the student's transcript, and the degree will be awarded the following year.

A graduation fee is charged to the degree candidate during the semester or trimester prior to the intended graduation date and is payable whether or not the student participates in the graduation ceremony.

ATHLETIC POLICY

Thomas College recognizes the importance of intercollegiate athletics in the overall educational and leadership development of its students. At the same time, Thomas endorses the primary importance of a student's classroom activities. Therefore, the College establishes as its policy the following:

Student-athletes and their coaches will make every reasonable effort to provide timely notice to faculty to request permission to miss class, and to make prior arrangements for work, for any sanctioned intercollegiate event for eligible team members. In most cases, faculty should be able to expect 72-hour advance notice of any scheduled event.

Faculty are requested to make reasonable allowances for eligible student-athletes with regards to absences dictated by scheduled competitions, including tournament games. In all cases, the student is responsible for all missed work. Students anticipating the possibility of tournament play should be in contact with faculty to discuss contingency plans for missed work. “Reasonable allowances” are dictated by the specifics of course requirements, a student’s overall performance and attendance record in the course, and the timeliness of the student’s notification to the faculty member.

In all instances, the primary responsibility for clear communication belongs to the student athlete.

Practices are not considered as part of this policy.

RIGHT TO PRIVACY

The purpose of the Family Education and Rights and Privacy Act of 1974 (the Buckley Amendment) is to protect the students with regards to the release and access of student records.

Annual Notification

Students will be notified of their FERPA rights annually by publication in the *Student Handbook*.

Correction of Education Records

Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of privacy rights. Following are the procedures for the correction of records. [Note: see Disciplinary Procedures for Appeal Process related to Disciplinary Records.]

1. A student must ask the appropriate record custodian of Thomas College to amend a record. In doing so, the student should identify the part of the record they want changed and specify why they believe it is inaccurate, misleading, or in violation of his or her privacy or other rights.
2. Thomas College may comply with the request or it may decide not to comply. If it decides not to comply, Thomas College will notify the student of the decision and advise them of their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's right.
3. Upon request, Thomas College will arrange for a hearing and notify the student, reasonably in advance, of the date, place, and time of the hearing.
4. The hearing will be conducted by a hearing officer who is a disinterested party; however, the hearing officer may be an official of the institution. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by one or more individuals, including an attorney.
5. Thomas College will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.
6. If Thomas College decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the student that they have a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the

-
- decision.
7. The statement will be maintained as part of the student's education records as long as the contested portion is maintained. If Thomas College discloses the contested portion of the record, it must also disclose the statement.
 8. If Thomas College decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.

Procedure to Inspect Education Records

Students may inspect and review their educational records upon request to the appropriate record custodian. Students should submit to the record custodian, or an appropriate College staff person, a written request that identifies as precisely as possible the record or records he or she wishes to inspect. The record custodian or an appropriate College staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given in 45 days or less from the receipt of the request. When a record contains information about more than one student, the student may inspect and review only the record(s) which relate to him/her.

Maintaining of Disciplinary Records

Student Discipline (or conduct) Records are maintained by the Vice President for Student Affairs in the Student Affairs Office. These files are maintained under the Family Educational Rights and Privacy Act (FERPA). If necessary, the Vice President for Student Affairs may also serve as a Judicial Officer or appoint additional Judicial Officers. A Judicial Officer will also review incidents during times when the Judicial Review Board is not in session, or at times, incidents referred by the Vice President for Student Affairs.

- Judicial Review Board: Alleged violations that are considered major infractions of the Conduct Code or campus safety/policy (excluding the Sexual Misconduct Policy), repeated minor violations that show a disregard for the Thomas community, or incidents referred by a Judicial Officer are reviewed by the Judicial Review Board. Persons engaged in a faculty-led, third-party provider, or any other College approved study abroad experience and persons who are not officially enrolled for a particular term, but who have a continuing relationship as a student with the College are considered students.

DISCIPLINARY PROCEDURES

The disciplinary process seeks to be educational and is not a court of law. Therefore, determination of violation is based on preponderance of information. In addition, hearings are not open meetings; only those individuals directly involved in the incident are permitted to attend as outlined in the Disciplinary Process. {Note: The only exception is in instances of alleged sexual misconduct, where students may select an advisor of their choice (see Sexual Misconduct Policy).} Because of this, students are expected to be cooperative and honest in providing information. Incidents are re- viewed/heard at two levels: Judicial Officer and Judicial Review Board. The seriousness of the incident determines which hearing process is used. [Note: Incidents involving alleged violations of sexual misconduct will be reviewed according to the Sexual Misconduct Policy.]

Typically, minor infractions are heard by a Judicial Officer. Major violations of the Conduct Code and repeated offenses which show a disregard for the Thomas community are referred to the Judicial Review Board for a hearing and determination of accountability and outcome. Depending on the nature of the violation, the Vice President for Student Affairs/designee reserves the right to determine whether a case will be reviewed by a Judicial Officer, the Judicial Review Board, or in some situations take immediate action in order to protect the community and/or person(s) involved. [Note: During time when the Judicial Review Board is not in session, a Judicial Officer or the Vice President for Student Affairs/designee will hear the incident and any related appeals in lieu of the Judicial Board.]

Disciplinary Process Flowchart:

- Alleged violation of campus policy
- Incident Report filed

-
- Judicial Officer e-mail notification to student of Judicial Hearing/Review
 - Judicial Hearing/Review with Judicial Officer
 - Judicial Officer collection of information from all students/staff involved
 - Judicial Officer outcome based on preponderance of the evidence
 - Outcome of No Violation issued to student via e-mail
 - Outcome of Violation issued to student via e-mail
 - Sanctions imposed and outlined in outcome letter or outcome of referral to Judicial Board
 - Appeal process available for 3 business days following delivery of outcome

Disciplinary Process Explained:

1. A potential violation of the Conduct Code or campus policy is documented in an Incident Report and filed with the Student Affairs Office.
2. Incidents are reviewed by the Dean of Students and those serving as Judicial Officers.
3. Students involved in an alleged violation documented in an Incident Report will be notified by a Judicial Officer, as soon as possible, that an Incident Report has been filed.
4. Communication with students will be delivered in writing via campus e-mail or through campus mail. Students are responsible for retrieving their e-mail and campus mail within 48 hours. Failure to do so is not an acceptable excuse for delaying the judicial process or reason for appeal.
5. All persons involved in an incident may be required to meet with the Judicial Officer in order to gather information and details regarding an incident. This hearing/review will be scheduled by the Judicial Officer and those involved will be notified in writing of the scheduled hearing/review.
6. Students who fail to appear at the appointed time or fail to request to reschedule prior to the time of the original appointment, waive their right to a Hearing and may be found in violation for Failure to Attend a Judicial Hearing. In a student's absence, the Judicial Officer will determine responsibility based on information available at the time of the Hearing. A student forfeits their right to appeal any Judicial outcome if they missed a Judicial hearing/review.
7. At the Judicial Officer hearing/review, those persons involved with the incident will be given an opportunity to review the Incident Report and to voice their own account of the incident in individual meetings. The Judicial Officer will meet with persons involved with the incident in order to determine if a violation has occurred or if the incident needs to be referred.

-
- a. If it is determined that a violation has occurred, the Judicial Officer will impose an appropriate sanction and notify, in writing, the students involved.
 - b. If it is determined that a violation has occurred, and the student involved is a registered Athlete at Thomas College, the Athletic Director or designee will be notified.
 - c. If it is determined that a violation did not occur, the Judicial Officer will notify the student in writing of this outcome.
 - d. Alleged incidents involving serious infractions of campus policy, students with repeated violations or at a Judicial Officer's request will be forwarded to the Judicial Review Board for review. The Judicial Officer will notify the Judicial Review Board and coordinate this hearing.
8. Should a Judicial Review Board hearing be necessary, written notification of the date, time, and place of the hearing will be sent to persons involved. Students who fail to appear at the appointed time, waive their right to a Hearing and may be found in violation for Failure to Attend a Judicial Hearing. In a student's absence, the Judicial Review Board will determine responsibility based on information available at the time of the Hearing. A student forfeits their right to appeal any Judicial outcome if they missed a Judicial Review Board Hearing.
 9. If a student has been found in violation, at any level, and a sanction is imposed, the student has 3 business days from time of written notification to appeal a decision based on the criteria outlined (see Appeals).

Judicial Review Board Process

1. Judicial Review Board Hearings are closed Hearings. The only individuals permitted inside are the Thomas community members involved with the incident, Judicial Officer presenting, the Board members and Advisor and Witness(es) as requested by the Board.
2. At the hearing, the Judicial Officer will present the information/incident to the Judicial Review Board.
3. The Board may ask person(s) involved for their statement of the incident and may ask questions of the person(s) involved to clarify and gather additional information.
4. The Board will consider all information gathered from the persons involved with the incident and come to a conclusion based on preponderance of whether or not a violation occurred.
5. The Board will render its findings to the Vice President for Student Affairs or designee.
6. If a violation has occurred, the Judicial Review Board will recommend appropriate sanctions to the Vice President for Student Affairs or designee.

-
7. The VP for Student Affairs or designee shall either accept, reject, or ask for a modification of the Judicial Review Board recommendation.
 8. If the VP for Student Affairs/designee accepts the recommendation (as originally referred or with modification), it shall be final unless appealed within three business days of written notification sent.
 9. If the VP for Student Affairs/designee rejects the recommendation of the Judicial Review Board, the incident is automatically referred to the Appeals Board for review and final decision.
 10. Individuals directly involved with the Hearing will be notified in writing by the Vice President for Student Affairs or designee of the Judicial Review Board's decision. As necessary, sanctions will be sent in writing to those involved.
 11. Failure to comply with a sanction may result in the student being brought back to the Judicial Officer or Judicial Review Board and/or may result in additional disciplinary action.

Appeals

All appeals must be submitted in writing on the Appeals Form (can be found online or in the Student Affairs Office) to the Vice President for Student Affairs or designee within three (3) business days of having written notification sent of the hearing decision. The VP for Student Affairs or designee will review the appeal or forward it to the appropriate Committee/Board as described below. All appeals will be reviewed in a timely manner. Judicial Decisions may be appealed based on the following criteria:

1. new information that was not available at the time of the original hearing (that could impact the outcome)
2. when there is reason to believe that proper judicial procedures may have been violated.

Decisions may not be appealed solely on the basis of dissatisfaction with the outcome/sanction or if the student did not attend the Judicial Hearing/Review.

Judicial Officer Appeal Process

1. All decisions made by a Judicial Officer may be appealed to the Judicial Review Board. [The exceptions to this are when a student failed to attend the original hearing without an attempt to reschedule, or in situations where the student has admitted to the violation and/or requested that the Judicial Officer take whatever action he/she deems necessary.]
2. Appeals will initially be submitted to the Vice President for Student Affairs or designee. The Vice President or designee will meet with the Appeals Committee of the Judicial Review Board

who will determine whether an appeal meets the criteria for review.

3. Only appeals that meets criteria will be scheduled for a review hearing with the Board.

Judicial Review Board Appeal Process

1. Decisions from hearings initially reviewed by the Judicial Review Board may be appealed to the Vice President for Student Affairs or designee.
2. The Vice President for Student Affairs or designee may decide as follows:
 - a. deny the appeal
 - b. uphold the appeal, in which case the original sanction may be waived or altered.
3. Following this decision, the student may request a final appeal with the Appeals Board.
4. This request may be granted or denied by the Vice President for Student Affairs or designee.
5. If appealed to the Appeals Board, the decision of this Board is final.

Appeals Board

The Appeals Board is a five-member panel appointed by the Provost or designee and Vice President for Student Affairs or designee and is made up of at least 2 Thomas College faculty and at least 1 Thomas College staff member, and 1 student not already serving on the Judicial Review Board. The Appeals Board will only review outcomes referred to them by the Vice President for Student Affairs or designee or Provost or designee in accordance with College policies.

1. new information that was not available at the time of the original hearing (that could impact the outcome),
2. when there is reason to believe that proper judicial procedures may have been violated.

Decisions may not be appealed solely on the basis of dissatisfaction with the outcome/sanction or if the student did not attend the Judicial Hearing/Review. The Appeals Board may deny the appeal or uphold the appeal, in which case the original decision may be waived or the original decision may be altered. Appeals Board Hearing Procedure: The Appeals Board hearing procedure is as follows:

1. Consideration of type of hearing:
 - a. Student Judicial: an appeal must be submitted in writing using the Appeals Form to the Vice President for Student Affairs or designee within 3 business days of written notice being sent. (see “Appeals”)

-
- b. Academic Honesty: an appeal can be submitted in writing to the Provost within one calendar week of the decision of the Academic Affairs Committee. (see “Penalties”)
 2. Once either party has submitted an appeal which meets the above criteria, the Appeals Board members will be convened and presented with copies of the documentation.
 3. If necessary, the Judicial Review Board advisor will represent the Judicial Board’s decision and process.
 4. If required, the persons involved may be asked to present their appeal and why they believe the incident/outcome should be reviewed.
 5. The Appeals Board members may question any persons involved.
 6. Once the Appeals Board has reviewed all the information, the members will convene and render a decision.
 7. The Chair member of the Appeals Board will present the Appeals Board’s decision in writing to the Vice President for Student Affairs or designee or Provost or designee (as appropriate), who will notify the persons involved in writing within 5 business days.
 8. The Appeals Board’s decision is final.

Contact the Coordinator of Student Life, Assistant Dean for Student Engagement or Dean of Students for additional information.

Stalking is a course of

conduct directed at a specific person that would cause a reasonable person to feel fear or suffer serious emotional distress. MEDICAL MARIJUANA

Colleges and universities are required to comply with the Drug-Free Schools and Communities Act as a condition for receiving federal funding through Title IV in the form of financial aid. The federal government regulates drugs through the Controlled Substance Act (CSA) which does not recognize the difference between medical and recreational use of marijuana. Thomas College complies with the Drug-Free Schools and Communities Act which prohibits the possession and/or use of marijuana on campus or at Thomas College sponsored events, including medical marijuana, even though there may be state laws that permit its use. Persons found in violation of this policy may be subject to disciplinary action.

PET POLICY

Pets are not permitted in campus buildings or facilities (exception: service animals, such as seeing-eye dogs, with appropriate and up-to-date documentation). No person shall possess replica or toy firearms that resemble an actual firearm or weapon. Any person found to have violated this policy will be subject to disciplinary action which may include immediate suspension or termination of the Residence Hall Agreement, or suspension or dismissal from the College. Note: Small “pocket knives” for personal use with blades no longer than 2 ½” in length are generally acceptable.

SEXUAL MISCONDUCT

Thomas College is committed to providing a safe environment which promotes the dignity and worth of each member of the community. The College will respond promptly and effectively to complaints and reports of violations of this policy. In responding to all complaints and reports, the College will act to ensure the safety of students, guests, and employees while complying with federal and state laws.

I. Overview

It is important that members of the College community understand that the law does not just prohibit violations of this policy against employees by employers. The law also prohibits violations between members of the College community more generally: for example, between employees and student, between employees, between students, or between a member of the Thomas community and a campus guest. This policy applies to all members of the College community and to third parties, regardless of gender, sexual orientation or gender identity. It applies to all College programs and activities, both on campus and off campus.

This policy does not substitute for or supersede related civil and criminal law. It is the policy of the College to strongly encourage individuals to report all incidents and violations to law enforcement officials or agencies with appropriate jurisdiction and to avail themselves of all the services and rights to which they are entitled.

Any individual may file a complaint under this policy at any time. However, the College strongly encourages individuals to file complaints promptly in order to preserve evidence for a potential legal or disciplinary proceeding. A delay in filing a complaint may compromise the subsequent investigation. Reporting in a timely way also allows the College to provide

all persons involved with information regarding their rights, options, and resources available under this policy and federal or state laws.

All members of the College community are expected to cooperate fully in investigations and other proceedings necessary for the effective execution of this policy.

II. Title IX Requirements

As a recipient of federal funds, Thomas College complies with Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in educational programs and activities. Sexual Misconduct, as defined by this policy, is a form of sex discrimination prohibited by Title IX. All members of our community have a right to be free from sexual harassment, violence and gender based harassment. For purposes of this Policy, “Sexual Misconduct” includes sexual exploitation, sexual harassment, sexual assault, rape, dating violence, domestic violence and stalking. Sexual misconduct is a serious offense that violates College policy, state and federal law and may be subject to criminal prosecution. The College encourages community members to report any act of Sexual Misconduct promptly to appropriate college officials or local law authority. Please note that the use of alcohol/drugs will not be accepted as a defense or mitigating factor to a violation of this policy.

A. Role of the Title IX Coordinator and Team

Pursuant to Title IX of the Education Amendments of 1972 and the U.S. Department of Education’s implementing regulations at 34 C.F.R. Part 106, the College’s Title IX Team has primary responsibility for coordinating the College’s efforts to comply with and carry out its responsibilities under Title IX, which prohibits sex discrimination in all the operations of this College, as well as retaliation for the purpose of interfering with any right or privilege secured by Title IX.

Sexual misconduct including sexual harassment, sexual assault, rape, and sexual exploitation, can be a form of sex discrimination under Title IX. The Title IX coordinators oversee the College’s response to reports and complaints that involve possible sex discrimination to monitor outcomes, identify and address any patterns, and assess effects on the campus climate, so the College can address issues that affect the wider school community.

Any individual should contact the Title IX Coordinators or Deputy Title IX Coordinator in order to:

- seek information or training about courses of action available to resolve reports or complaints that involve potential sex discrimination, including sexual misconduct,
- file a complaint or make a report of sex discrimination, including sexual misconduct,
- notify the College of an incident or policy or procedure that may

-
- raise potential Title IX concerns,
 - get information about available resources (including confidential resources) and support services relating to sex discrimination, including sexual misconduct, and
 - ask questions about the College’s policies and procedures related to sex discrimination, including sexual misconduct.

The **College’s Title IX team** includes the Title IX Coordinators and Deputy Coordinators who may also serve as investigators.

Title IX Senior Coordinator:

Lisa Desautels-Poliquin, Vice President for Student Affairs, Ayotte Center, Room AD-127, (207) 859-1243, desautelsl@thomas.edu

Title IX Coordinator:

Michelle Joler-Labbe, Chief Human Resource Officer, Ayotte Center, Room AD-220, (207) 859-1240, HR@thomas.edu

Title IX Deputy Coordinators:

Hannah Gladstone, Dean of Students, Ayotte Center, Room AD-127, (207) 859-1216, gladstoneh@thomas.edu

Donald Cragen, Associate Professor, Chair, H. Allen Ryan School of Business, Alford Academic Center, Room AL-120, (207) 859-1311, cragend@thomas.edu

In the event that the incident, policy, or procedure about which the individual seeks to file a report or complaint creates the appearance of a conflict of interest with one of the members of the Title IX team, individuals may contact any other member of the team.

B. Functions and Responsibilities of the Title IX Coordinator

The Title IX Coordinator’s functions and responsibilities include the following:

(1) Training for Students, Faculty, and Staff

The Title IX Coordinators provide and/or facilitate ongoing training on Title IX for all students, faculty and staff, including:

- annual training for faculty and staff, outlining their rights and obligations under Title IX, including the appropriate response to reports of sexual misconduct, the requirement to report sexual misconduct to appropriate College officials, and the extent to which counselors and advocates may maintain confidentiality while reporting the incident, and
- annual training for students outlining their rights under Title IX;

with regard to sexual misconduct, this training will include what constitutes sexual misconduct and when it creates a hostile environment, the definition of consent, reporting options (including reports to responsible employees, campus security and local law enforcement, and confidential reporting to counselors or advocates), the grievance procedures used to process complaints, applicable conduct code provisions relating to sexual misconduct and the consequences of violating those provisions, the role of alcohol and drugs in sexual misconduct, strategies and skills for bystander intervention, the offices or individuals with whom students can speak confidentially, the offices or individuals who can provide support services, the employees who must report incidents to the Title IX coordinator, and Title IX's protections against retaliation.

(2) Investigations

The College is responsible for conducting adequate, reliable, and impartial investigations of reports and complaints of sexual misconduct. The Title IX Coordinators oversee many aspects of this response, including:

- determining whether the report or complaint alleges conduct that may, upon investigation, constitute prohibited sexual misconduct,
 - appointing an investigator(s) upon such determination,
 - making certain that individual reports and complaints are handled properly and in a prompt and timely manner,
 - informing all parties regarding the incident review process,
 - confirming that all parties have been notified of the right to, and procedures for an appeal,
 - assure information and documentation related to the investigation is maintained in a secure manner, and
 - monitoring compliance with timeframes specified in the incident review process.
- The Title IX Coordinators evaluate requests for confidentiality by those who report or complain about sexual misconduct in the context of the College's responsibility to provide a safe and nondiscriminatory environment for all members. In order to make such an evaluation, the Title IX team may conduct a preliminary investigation into the alleged Sexual Misconduct and may weigh the Complainant's request(s) against the following factors: the duty to ensure the safety of the campus and comply with federal law. In cases indicating pattern, threat, violence, predation, weapons, or when a minor is involved.
- Ensures that appropriate policies and procedures are in place for working with local law enforcement and coordinating with local

victim advocacy organizations and service providers, including rape crisis centers.

(3) Remedies, Including Interim Measures

Upon learning of a report or complaint of sexual misconduct, the Title IX Coordinators promptly take steps to ensure the complainant's equal access to the College's programs and activities and protect the complainant as necessary. Such steps include taking interim measures before the final outcome of any investigation, providing remedial measures after the final outcome of investigation, and making the complainant aware of all available resources.

Upon a finding of prohibited sexual misconduct, the Title IX Coordinator determines whether campus-wide remedies should be adopted in response, including review and revision of the College's sexual misconduct policies, increased monitoring, supervision or security at locations where sexual misconduct was reported to have occurred, and increased education and prevention efforts, including to targeted populations.

III. Mandatory Reporting

All College employees (except as provided within section VII) are required to promptly report incidents of sexual misconduct, sexual discrimination, sexual harassment and sexual assault. Because domestic violence, dating violence, stalking and sexual misconduct can also constitute sex discrimination, information received by College employees about such incidents must also be reported. Student employees and volunteers who learn of a violation of this policy in the course of their employment, programming or volunteer responsibilities are also required to report.

When a person tells an employee of the College about a violation of this policy, the College employee is encouraged to promptly report to the Title IX Coordinator all relevant details about the alleged incident shared by the complainant that the College will need to determine what happened – including the names of the complainant and accused(s), any witnesses, and any other relevant facts, including the date, time and specific location of the alleged incident. To the extent possible, information reported will be shared only with people responsible for handling the College's response to the report. If the College determines that there is a continuing threat to the safety of members of the College community, it may have to issue a timely warning regarding the incident. A timely warning does not include identifying information about a victim.

IV. Getting Help: Students—What to do if you are Sexually Assaulted or Experience Domestic Violence, Dating Violence or Stalking (Employees refer to Employee Handbook)**

- Get to a safe location. On campus, please consider calling Public

Safety at (207) 859-1399, residential life staff and/or local law enforcement at 911. Campus Residence Life or Student Affairs staff can assist with community resources as well.

- Consider asking a trusted friend or relative to be with you for support.
- Seek medical care as soon as possible. You may need basic medical treatment for injuries, and you may have injuries of which you are unaware. You also may be at risk of acquiring a sexually transmitted infection, and women may be at risk for pregnancy. Trained staff at the campus Health Center or the local emergency room can speak with you about all of the medical options available and provide information about a sexual assault forensic examination.
- You may choose to file a report on or off campus or both. Your report puts in place support systems that you may choose to use. The College will provide someone to assist you in filing a report with Law Enforcement if you wish.
- Preserve all evidence of the incident. If you choose to file a report with the police, it is important, if possible, that you:
 - Do not bathe, wash your hands, brush your teeth, drink, eat, or even use the restroom—all these things can destroy evidence that may be helpful in a criminal investigation; however, if you have done any of these things since the incident, evidence can still be collected;
 - Avoid cleaning or removing anything from the location where the incident occurred;
 - Write down as much as you can recall about the incident and the people involved.
- Seek some form of emotional support. While taking care of your physical needs may be the first step in taking care of yourself, it is important not to neglect the emotions you may be experiencing as a result of the assault, violence or stalking. On and off campus resources are available.
- It is your choice to determine when and in what manner you recover from your trauma. Give yourself the time you need and know that it is never too late to get help.
- **KNOW THAT WHAT HAPPENED WAS NOT YOUR FAULT AND YOU ARE NOT ALONE.**

On-Campus Resources

On-campus professional staff within Student Affairs, including an on-campus counselor and the Director of the Health Center, are available to assist with seeking medical treatment, answering questions and offer emotional support.

V. Definitions/Policies

Sexual misconduct is a broad term encompassing any sexual behavior that was committed without effective consent. Sexual misconduct may vary in its severity and consists of a range of behaviors. These behaviors are prohibited by Thomas College policy, federal and state law. Thomas College does not tolerate sexual misconduct in any form. Thomas College will regard freedom from sexual misconduct as an individual student or employee right, which will be safeguarded as a matter of policy. Violators of this policy will be subject to disciplinary action, up to and including dismissal from the College.

Sexual misconduct includes, but is not limited to: sexual harassment, sexual exploitation, non-consensual sexual contact, non-consensual sexual intercourse, dating violence, domestic violence and stalking. The following conduct will be considered a violation of the Thomas Sexual Misconduct Policy if it is of a sex or gender-based or relates to sexual behavior.

Conduct not sex or gender-based in nature or relating to sexual behavior may be separately addressed through Thomas' Code of Conduct or Employee Handbook unless it is being reviewed in conjunction with the Sexual Misconduct policy.

Sexual Harassment is subjecting an individual to unwelcome sexual conduct/behavior. The sex-based and/or gender-based harassment may be verbal, written, electronic (online), physical or via third party.

The following is a partial listing of examples of sexual harassment:

- Comments about your body, sexual remarks, jokes or suggestions
- Pornographic pictures or stories
- Obscene gestures, looks, leers, noises or gestures
- Pressure for dates or sexual favors
- Failure to accept the termination of a consensual relationship with repeated and persistent requests and behavior
- Indecent exposure
- Unnecessary and/or deliberately touching, leaning over, cornering, pinching, or brushing against a person

Sexual harassment may be disciplined when it takes the form of quid pro quo harassment, retaliatory harassment and/or creates a hostile environment.

A hostile environment is created when sexual harassment is:

- sufficiently severe, or
- persistent or pervasive, and
- objectively offensive that it:
 - unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the College's educational and/or employment, social and/or residential program.

Quid Pro Quo Harassment is:

- Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature
- By a person having power or authority over another constitutes sexual harassment when submission to such sexual conduct is made either explicitly or implicitly a term or condition of rating or evaluating an individual's educational or employment progress, development or performance. This includes when submission to such conduct would be a condition for access to receiving the benefits of any educational or employment program.

Sexual Exploitation is when one takes non-consensual, unfair or abusive advantage of another for their own advantage or benefit even if that behavior doesn't constitute one of the other sexual misconduct offenses.

The following is a partial list of examples of sexual exploitation:

- Non-consensual video or audio taping of sexual activity
- Engaging in Peeping Tommerly
- Going beyond the boundaries of consent (such as allowing others to surreptitiously watch you have consensual sex)
- knowingly transmitting a sexually transmitted infection
- exposing of a person's body or genitals
- prostituting or soliciting another community member
- sharing nude or partially nude photos without the person's consent

Non-consensual sexual contact includes touching, however slight, of a person's sexual or intimate parts or the clothing covering the immediate area of those parts, whether clothed or unclothed, without consent and/or by force.

Examples of non-consensual sexual contact include, but are not limited to:

- intentional contact with the breasts, buttocks, groin or genitals with one's body part or object
- intentional touching of another with breasts, buttocks, groin or genitals
- Fondling, grabbing, or touching a person's sexual or intimate parts or the clothing covering those parts
- making another person touch someone or themselves in a sexual manner
- any intentional bodily contact in a sexual manner

Non-consensual sexual intercourse includes any sexual intercourse, however slight, with any object or body part by a person against other person that is without consent and/or by force.

Examples of non-consensual sexual intercourse include, but are not limited to:

- vaginal penetration by a penis, object, tongue or finger
- anal penetration by a penis, object, tongue or finger
- oral copulation (mouth to genital contact or genital to mouth contact)

Dating violence is physical violence or emotional abuse between those in an intimate or romantic relationship to each other..

Domestic violence is intentionally, knowingly or recklessly causing bodily injury or offensive physical contact to a family or household member. "Family or household members" are current or former spouses or domestic

partners, individuals presently or formerly living together as spouses, biological parents of the same child, adult household members related by consanguinity (by blood) or affinity or minor children of a household member when the violence is committed by an adult household member, individuals presently or formerly living together, and individuals who are or were sexual partners.

Stalking is a course of conduct directed at a specific person, on the basis of actual or perceived membership in a protected class, that would cause a reasonable person to feel fear or suffer serious emotional distress. Course of conduct is defined as “a pattern of actions composed of more than one act over a period of time, however short, evidencing a continuity of conduct.”

Examples of stalking behaviors include:

- Non-consensual communication, including face-to-face communication, telephone calls, voice messages, e-mails, text messages, written letters, gifts, or any other communications that are undesired and place another person in fear.
- Use of online, electronic, or digital technologies, including: - Posting of pictures or information in chat rooms or on Web sites - Sending unwanted/unsolicited email or talk requests - Posting private or public messages on Internet sites, social networking sites, and/or school bulletin boards - Installing spyware on a victim’s computer - Using Global Positioning Systems (GPS) to monitor a victim
- Pursuing, following, waiting, or showing up uninvited at or near a residence, workplace, classroom, or other places frequented by the victim
- Surveillance or other types of observation including staring, “peeping”
- Trespassing
- Vandalism
- Non-consensual touching
- Direct verbal or physical threats
- Gathering information about an individual from friends, family, and/or co-workers

Retaliation is adverse action taken by the College or any individual or group against any person for opposing any practices forbidden under this policy or for filing a complaint, testifying, assisting, or participating in an investigation or review proceeding under this policy. This includes action taken against a bystander who intervened to stop or attempt to stop a violation of this policy. Retaliation includes intimidating, threatening, coercing, or in any way discriminating against an individual because of the individual’s complaint or participation. Action is generally deemed retaliatory if it would deter a reasonable person in the same circumstances

from opposing practices prohibited by this policy. The College will take immediate and responsive action to any report of retaliation and will pursue disciplinary action as appropriate.

Consent is clear permission to engage in sexual contact. Consent must be informed, freely and actively given, and consist of a mutually agreeable and understandable exchange of words or actions. Consent is clear, knowing and voluntary. Consent is active, not passive. Consent may be withdrawn at any time. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and conditions of) sexual activity. Past consent does not imply future consent. Consent to engage in one form of sexual activity does not imply consent to engage in any other sexual activity. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with any other person.

It is not consent when the exchange involves unwelcomed physical force, coercion, intimidation, and/or threats. If an individual is mentally or physically incapacitated or impaired such that one cannot understand the fact, nature or extent of the sexual situation, and the incapacitation or impairment is known or should be known to a reasonable person, there is no consent. This includes conditions resulting from alcohol or drug consumption, or being asleep or unconscious. Consent is not valid if the person is too young to consent to sexual activity under federal and state law.

Interim Measures In all complaints of alleged Sexual Misconduct, regardless of whether the Complainant wishes to pursue resolution of any kind, the College may undertake an appropriate inquiry and take such prompt and effective action as is reasonably practicable under the circumstances to support and protect the Complainant and protect the College community. This may include taking appropriate interim measures before the final outcome of the investigation and hearing, if any. Such measures may include, but are not limited to the following: interim suspension, temporary exclusion from areas of campus, removal from or relocation to another residence hall, changes in academic/course/work schedules, limiting access to technology/files, limiting participation in certain events, gatherings, or activities, issue of “no contact order” which typically will include a directive that the Respondent refrain from having contact with the Complainant, directly or indirectly, or through electronic or 3rd/other party, pending the investigation and, if applicable, the hearing. [note: additional parties can also be held accountable for their actions under the Harassment or other Student Conduct Code policies]. Among other measures, interim measures should not be construed to suggest that any decision has been made about the merits or outcome of the case.

The Title IX Coordinators, or designee, for purposes of this Policy, also may take any further protective action that he or she deems appropriate concerning the interaction of the parties pending the hearing, if any, including, without limitation, ordering interim suspensions, and directing appropriate College officials to alter the students' academic, College housing and/or College employment arrangements. When taking steps to separate the Complainant and the Respondent, the Vice President for Student Affairs or Chief HR Officer will seek to minimize unnecessary or unreasonable burdens on either party; provided, however, that every reasonable effort will be made to allow the Complainant to continue in his or her academic, College housing and/or College employment arrangements. Violations of these interim measures will constitute related offenses that may lead to additional disciplinary action.

Student Amnesty The College strongly encourages students to report instances of sexual misconduct, sex discrimination, sexual harassment, retaliation, sexual assault, domestic violence, dating violence or stalking. Students who report information about a violation of this policy will not be disciplined by the College for any minor violation of alcohol possession or consumption policies or other minor violations of the Student Conduct Code in which they might have engaged in connection with the reported incident.

OTHER MISCONDUCT OFFENSES (WILL FALL UNDER TITLE IX WHEN SEX OR GENDER-BASED)

1. Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
2. Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of sex or gender;
3. Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
4. Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the college community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (as defined further in the Hazing Policy);
5. Bullying, defined as:
 - a. Repeated and/or severe
 - b. Aggressive behavior
 - c. Likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally

VI. Jurisdiction

This policy applies to behaviors that take place on the campus, at Thomas College sponsored events, and may also apply off-campus and to actions

online when the Title IX Coordinator determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

1. Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state or federal law;
2. Any situation where it appears that the responding party may present a danger or threat to the health or safety of self or others;
3. Any situation that significantly impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or
4. Any situation that is detrimental to the educational interests of the College.

VII. Reporting on Campus

Any reports or concerns regarding incidents of sexual misconduct should be reported immediately to a Public Safety Officer, a member of the Residential Life professional staff, the Dean of Students, the Vice President for Student Affairs, Chief Human Resources Officer or a member of the Title IX team. The primary concern is for the safety and well-being of the victim. If the victim chooses to report, options are available to use the campus Disciplinary Process and/or contact local law enforcement. Individuals accused of sexual misconduct may be subject to disciplinary action; if found to be in violation the individual(s) may be sanctioned to include suspension, dismissal or termination from the College. The College's actions will be independent on the outcome or initiation of criminal charges. Depending upon the seriousness of the potential violation(s) (ie: threat to campus safety or incidents involving a minor) local, state, and federal authorities may also be asked to assist with any investigation of the facts. If the Vice President for Student Affairs, Title IX Coordinators, or designee determines that a threat is posed to the victim by the close proximity or the threat of interaction with the respondent, then a "campus restriction" may be issued.

How and Where to File a Complaint

A. Complaints or Reports of Employees' Conduct

All complaints or reports relating to violations of this policy by a College employee should be made to the Chief Human Resource Officer/Title IX Coordinator, Michelle Joler-Labbe. If there is a conflict of interest, the individual may report to another member of the Title IX team. Upon receiving a complaint or report of a violation of this policy by a College employee, the Title IX Coordinator will assess the complaint or report and will provide the complainant with information about options for informally resolving a complaint and formal investigation of a complaint. Mediation is

never appropriate in sexual assault cases. When a complaint is investigated, the College will use a preponderance of the evidence standard – whether it is more likely than not that the alleged violation occurred.

B. Complaints or Reports of Students' Conduct

All complaints or reports relating to violations of this policy by a College student should be made to Vice President for Student Affairs/Title IX Coordinator, Lisa Desautels-Poliquin, or Dean of Students/Deputy Title IX Coordinator, Hannah Gladstone.

Upon receiving a complaint or report of a violation of this policy by a College student, the Title IX Coordinator will assess the complaint or report and will provide the complainant with information about options for informally resolving a complaint and formal investigation of a complaint. Mediation is never appropriate in sexual assault cases. When a complaint is investigated, the College will use a preponderance of the evidence standard – whether it is more likely than not that the alleged violation occurred.

C. Complaints or Reports of Third Parties' Conduct (Campus Guests, Vendors, Contractors, etc.)

All concerns regarding violations of this policy by third parties such as vendors, contractors and campus guests should be made to either Title IX Coordinators. Upon receipt of a report or complaint, the College will respond appropriately.

VIII. Reporting Off-Campus Options Regarding Law Enforcement

Any individual has the option to report to the police and has choices regarding how to report or if to report. There are resources on or off campus available to discuss these options, as well as provide contacts and emotional support. An individual who has experienced sexual assault, domestic violence, dating violence or stalking, or any other conduct which may violate criminal laws, has a right, at their own discretion, to:

- Notify law enforcement authorities,
- Be assisted by campus staff in notifying law enforcement; or
- Decline to notify law enforcement.

College officials may, however, provide law enforcement with details about an incident under some circumstances if a determination has been made that such disclosure is required by law and/or is necessary to secure campus safety.

IX. Resolution Procedures for Sexual Misconduct Allegations

The College offers options to address cases of alleged Sexual Misconduct within the framework of the College's administrative processes. The options are designed to provide an opportunity for parties to present their

versions of the incident and to understand the nature of the incident and its effects on each party and the College community. The options differ in their procedures, degree of formality, and potential results.

When reporting a violation of this policy, individuals may report the alleged violation and wish to maintain his/her confidentiality and privacy. Our on-campus staff that may provide confidential advice, options, and assistance includes our counseling and health services personnel. However, these employees may, consistent with their ethical, campus and legal obligations, be required to report anonymous statistical information about incidents without revealing the identities of the individuals involved, to the Title IX Coordinator.

Excluding confidential reports as listed above (counseling and health services), any reports received by a Thomas College Responsible Employee of sexual misconduct, sexual harassment and discrimination, including sexual assault, must be reported to the Thomas College Title IX Coordinators or Title IX Deputy Coordinators.

Title IX Senior Coordinator: Lisa Desautels-Poliquin, Vice President for Student Affairs, desautslsl@thomas.edu, (207) 859-1243

Title IX Coordinator: Michelle Joler-Labbe, Chief HR Officer, HR@thomas.edu, (207) 859-1240
Title IX Deputy Coordinator: Hannah Gladstone, Dean of Students, gladstoneh@thomas.edu, (207) 859-1216

Title IX Deputy Coordinator: Donald Cragen, Associate Professor, Chair, H. Allen Ryan School of Business, cragend@thomas.edu, (207) 859-1311

Community members who are aware of an incident involving sexual misconduct, sexual harassment, dating violence, domestic violence and/or stalking are encouraged to speak to the College Title IX coordinators, a deputy coordinator, Dean of Students, area coordinator, or Public Safety. Reported incidents will be reviewed.

Only people who have a need to know about the incident will be informed, and information will be shared only as necessary with investigators, witnesses and the accused person. Reports that are made anonymously or by third parties may not initiate an incident review process; however, Title IX requires the College to investigate all incidents about which the College knows or has reason to know to protect the health and safety of the community. The College will undertake an investigation even in cases where the alleged victim and/or complainant chooses not to cooperate.

Complainant Does Not Wish to Pursue Resolution or Requests Confidentiality

If an individual files a complaint but does not wish to pursue official resolution and/or requests that his/ her complaint remain confidential, Title IX nevertheless requires the College to investigate preliminarily and take reasonable action in response to the Complainant's complaint. If the Complainant requests that his/ her name or other identifiable information not be disclosed to the Respondent the Title IX coordinator will inform the Complainant that the College's ability to respond may be limited and that Title IX prohibits retaliation. If the Complainant requests that his or her complaint not be resolved, the College will evaluate the Complainant's request(s) for confidentiality or no action in the context of the College's commitment to provide a reasonably safe and non-discriminatory environment for all individuals. In order to make such an evaluation, the Title IX team may conduct a preliminary investigation into the alleged Sexual Misconduct and may weigh the Complainant's request(s) against the following factors: the duty to ensure the safety of the campus and comply with federal law. In cases indicating pattern, threat, violence, predation, weapons, or when a minor is involved. The Title IX Coordinator or investigator will inform the Complainant if the College cannot ensure confidentiality. Even if the College cannot take disciplinary action with respect to the Respondent because the Complainant insists on confidentiality or that the Complaint not be resolved, the Title IX Coordinator reserves the authority to undertake an appropriate inquiry, issue a "no-contact" order, and take other reasonably necessary measures, including the interim measures described below. Please note that there are on-campus resources an individual can utilize that can maintain confidentiality without the need to inform other campus personnel. These resources include health services personnel and counseling services staff.

X. Sexual Misconduct Incident Review

The Thomas College Sexual Misconduct Incident Review is designed to provide a fair, prompt, and effective means of responding to allegations of sexual misconduct (see Sexual Misconduct Policy for definition of sexual misconduct) involving members of the Thomas community.

This Sexual Misconduct Incident Review Process is the mechanism through which reports of sexual misconduct are investigated and resolved when a complainant or the College chooses to pursue action formally through the College. The purpose of this review process is to bring an end to any discriminatory conduct, to act reasonably to prevent future reoccurrence, and to remedy the effects of the discrimination on the victim and the College community.

The disciplinary process for responding to allegations of sexual misconduct at Thomas College involves up to three phases: **intake, investigation, and corrective action**. The process will be conducted and completed in as

prompt a manner as is reasonable under the circumstances, with a target of 60 days, but recognizing that periods when individuals are not on campus due to breaks, or in more complex cases, may have an impact in the investigation timeline.

The filing of a sexual misconduct complaint under this policy is independent of any criminal investigation or proceeding, except in cases where it is determined that a conduct proceeding might impede a criminal investigation or otherwise not be in the best interests of the law enforcement agency or a complainant. A short delay may be undertaken in those circumstances to allow evidence gathering in the criminal proceeding. The Thomas College Sexual Misconduct process will not typically wait for the conclusion of any criminal proceedings to commence its own investigation and take needed interim measures. A complete copy of the policy, including information regarding the complete process for incident review can be found on the Thomas College Student Affairs website:

SUBSTANCE POLICY

Introduction

As an educational community whose primary mission is to “prepare students for success in their personal and professional lives,” Thomas College is committed to providing a climate which supports both academic and personal growth. The College aims to promote in its community a sense of wellness and responsibility, and is consistent with federal and state laws. With society’s increased awareness of the potential risks of substance use, responsible conduct should be demonstrated by each individual in the best interest of his/her personal health and the community’s general welfare. The following policies and guidelines are intended to serve as a standard of behavior for all members of the Thomas College community, i.e., administration, faculty, staff, students, alumni, guests, and outside groups (see Facility Rental Policy). This policy also is intended to provide the campus community with information about alcohol and other drugs and is distributed in accordance with the Drug Free Schools and Communities Act Amendments of 1989.

Standards of Conduct

Thomas College prohibits the unlawful possession, use, sale, or distribution of illicit drugs and alcohol by students, employees and guests on College property or at any of its sponsored activities. All consumption of alcoholic beverages should be done in a responsible manner and in accordance with the laws of the State of Maine.

Substance Review Committee

The Substance Review Committee shall be comprised of at least three members of the Thomas College community representative of staff, faculty and students. The purpose of the Committee shall be to:

1. Conduct a biennial review of the Thomas College Substance Policy
2. Review all Event Registration Forms (requesting to have alcohol at an event on campus or at an off-campus Thomas sponsored event) for compliance with the guidelines outlined in this policy;
3. Provide education to the community regarding the Substance Policy.

General Campus Alcohol Policy

The following is a list of regulations to be observed when consuming alcoholic beverages on the College campus or at College sponsored events.

1. Persons of legal age may consume alcoholic beverages only at approved registered campus events or in the approved area of the Dog Pound (Spann Commons). Resident students of legal age and their guests, of legal age, may only consume alcohol within their residence room/suite or that of another 21-year-old if that student is present (except in Substance Free Housing).
2. Persons of legal age who choose to consume alcohol should do so in a responsible manner. The College does not consider drinking in excess to be responsible. In addition, loud and/or disruptive conduct, interference with maintaining cleanliness of the campus, damage to personal or College property, or drinking habits which are injurious to the health or education of an individual or those around him/her resulting from the consumption of alcoholic beverages are not considered responsible drinking and are not condoned by the College.
3. Minors, (persons under the age of 21), are not allowed to possess (physical possession or by consumption) or consume alcoholic beverages anywhere on the College campus or at College sponsored events in accordance with Maine State law.
4. Intoxication will not be accepted as a defense or excuse for not abiding by Federal, State or Local Laws and College policies and guidelines. Intoxication which interferes with or disrupts the campus life of others, or necessitates staff intervention or medical attention, (whether over 21 years old or not), is prohibited.
5. No persons of any age may consume alcoholic beverages, or be in possession of open containers holding alcoholic beverages (bottles, cans, mugs, glasses, or any other type of container) in areas of the College campus designated as public areas unless the event is sanctioned by the College. These areas include: all lobbies, hallways, lounges, stairways, rest rooms, recreation areas,

laundry rooms, computer labs within the residence halls, as well as anywhere within the Ayotte Center, the Spann Commons (except at the Dog Pound), Athletic Center, the Alford Academic Center and/or outdoors.

6. Any event where alcoholic beverages are served must be in an area licensed by the Maine State Liquor Commission for the dispensing and consumption of alcoholic beverages.
7. No persons may knowingly provide alcohol, or a place to consume alcohol, to persons under the age of 21.
8. The possession and/or use of false identification are prohibited.
9. Due to NCAA regulations, alcohol is not permitted at any sporting event held on the College campus.
10. Common source containers of alcohol such as kegs (except at the Dog Pound), “beer balls” trash cans, punch bowls/spiked punch, alcohol filled fruit, etc., are not permitted. These items contribute to higher levels of intoxication and a more frequent occurrence of alcohol-related injuries and health emergencies, including alcohol poisoning. As a result, Thomas College joins with most other colleges and universities in strictly prohibiting such items.
11. Games or acts or any paraphernalia intended to influence or coerce individuals to ingest alcohol or which imply that such ingestion is taking place are prohibited. Examples include, but are not limited to, games typically associated with drinking (e.g. beer pong), funnels, shot gunning, Jell-O shots or any item/device used for mass consumption, or the presence of alcohol in a social setting where such games are being played.
12. Promotional materials advertising alcoholic beverages and/or their consumption are not permitted on campus. [See section on advertising/promotion.]
13. In accordance with Maine State Law, operating any type of motor vehicle while under the influence of alcohol is strictly prohibited on campus property.
14. Student fees (e.g. Student Senate, fundraisers, student activities, residence hall, etc.) may not be used to purchase alcohol.
15. Alcohol will not be served at events deemed high risk for injury or liability.
16. Voluntarily being present in a room or place where a violation of the substance policy is occurring may result in persons being held accountable for the violation.

Scheduling and Approval of Events with Alcohol

There are many reasons why events with alcohol that occur on campus may be scheduled. It is important for the planners of the event to ensure that they are well versed in College policy regarding the service of alcohol,

including providing non-alcoholic alternatives and food, and insuring necessary staffing, set-up, and security for the event. Events submitted for approval are evaluated individually, based on the nature of each event. A “closed event” may be evaluated using a different standard than a College wide event. By having the sponsor sign the event scheduling form, he/she is accepting the conditions as stated on the Event Registration Form. All events must be registered at least thirty (30) calendar days in advance with the Dean of Students (or designee).

Social Gatherings with Alcohol

Social gatherings or events, at which alcohol is served or available, whether occurring on College property or sponsored by recognized College groups or organizations, must adhere to the following:

1. All requests for events must be registered at least thirty (30) calendar days in advance with the Dean of Students (or designee) who will forward it to the Substance Review Committee for approval.
2. Alcoholic beverages may not be the focus of a registered event.
3. Registered events must provide equally accessible non-alcoholic beverages and food, while the alcoholic beverages are being served.
4. The purchasing or serving of alcohol should end no later than 1/2 hour prior to the scheduled ending time of the event.
5. Serving alcoholic beverages to an obviously inebriated person is prohibited and unlawful.
6. Sponsors of events are responsible for compliance with College policies, for clean-up and damages.
7. Sponsors of the event are responsible for obtaining a temporary liquor license if required.
8. Signs, prizes, etc., advertising products containing alcohol are not permitted.
9. Visibly intoxicated people will not be permitted to enter an event and/or may be removed from an event once identified.
10. Alcohol served at a registered event may not be taken from the premises.
11. Consumption of alcoholic beverages is prohibited during College sponsored activities that require coordination and good judgment for safety, such as hiking trips, water related activities, etc.
12. At events with mixed age groups, all persons interested in consuming alcohol must present proper ID and may be required to wear an identifying wrist band (wrist bands are nontransferable) or other device during the event.
13. All outside groups using campus facilities serving alcohol must be coordinated through the Director of Facility Rentals and must abide by the College’s Substance Policy and Facility Rental

Policy.

14. Hosts of an approved gathering will be notified of their responsibilities upon approval of the event.

Dog Pound Alcohol Policy

1. In order to purchase alcohol, at each sale, a person of legal drinking age must present a valid Driver's License or State-issued Identification Card. A secondary form of identification may also be required (i.e., passport, military-issued ID).
2. Each person of lawful age may purchase only one alcoholic beverage at a time.
3. Only alcohol purchased or distributed by licensed persons may be consumed in the approved Dog Pound area. State law prohibits persons from bringing their own alcoholic beverages into this area. Alcoholic beverages purchased or obtained at the Dog Pound may not be taken out of doors unless such areas are licensed for consumption.
4. Alcohol will be served at the server's discretion.

Guidelines Specific to College Residences

1. Students who are 21 years old may only consume alcohol within their residence room or that of another 21-year-old if that student is present (except in Substance Free Housing).
2. First year student residence Hinman Hall is considered a Substance Free living environment. Alcoholic beverages may not be brought into this hall even by persons who are of legal drinking age.
3. There may be only one open container per person of legal drinking age.
4. Open alcohol containers, including any alcoholic beverage out of the original container or having a broken seal on the original container, are not permitted in common hallways, lounges, computer lab, bathrooms, suite hallways, stairwells, or any other common area(s). (Exceptions: in Bartlett Suites and Townhouses, if all residents of the townhouse/suite are 21 or older, residents may store recyclable containers in the hallway closet of a Bartlett suite or in one designated area of a townhouse common space, provided that the containers are in a closed trash bag and do not block entry/exits. Large quantities of empties, for health and safety purposes, should not be stored in these spaces in the residences. Also, residents and their guests who are 21 years old or older may consume alcohol in their suite/townhouse common space provided there is only one open container per "of age" person and no underage person is present in any area of the suite/townhouse when alcohol is consumed.)

-
5. Alcohol containers of a decorative nature, for collection, or for recycling are not permitted in Substance Free Housing or rooms where no resident is of legal age.
 6. Public intoxication that interferes with or disrupts the residence life of others or necessitates staff intervention or medical attention (as determined by College staff) is prohibited.
 7. Common source containers of alcohol such as kegs, “beer balls,” trashcans, punch bowls/spiked punch, alcohol filled fruit, etc., are not permitted.
 8. Games or acts or any paraphernalia intended to influence or coerce individuals to ingest alcohol or which imply that such ingestion is taking place are prohibited. Examples include, but are not limited to, games typically associated with drinking (e.g. beer pong), funnels, shot gunning, Jell-o shots or any item/device used for mass consumption, or the presence of alcohol in a social setting where such games are being played.
 9. Displays that contain content regarding alcohol or drugs may not be displayed in areas of public view, such as the exterior of a room door or facing out a window.

Sanctions for Violations of the Alcohol Policy are cumulative (may include the following minimums)

NOTE: Violations that occur in Substance Free housing are subject to an additional \$50 fine over and above the level sanction.

1. Level I Violation: Written warning, an educational or service component and restitution (if applicable).
2. Level II Violation: [note: Repeat Level I, as well as any first time violations involving a common source, providing alcohol to a minor or driving while under the influence automatically begins one level above a student’s current status]: educational component and associated administrative fees/costs (if applicable) and restitution (if applicable).
3. WHAT DOES THE LAW SAY ABOUT ILLEGAL SUBSTANCES?

Maine State Laws Governing the Use of Controlled Substances

1. The criminal offenses most commonly charged under the Federal Controlled Substances Act are the knowing, intentional, and unauthorized manufacture, distribution, or dispensing of any controlled substance or the possession of any controlled substance with the intent to manufacture, distribute, or dispense. 2. Possession of a useable amount of marijuana is considered a civil infraction with a fine of up to six hundred dollars (\$600) or up to one thousand dollars (\$1,000) depending on the amount (up to 2 ½ ounces). Possession of greater quantities may result in a legal presumption of trafficking in scheduled drugs. Trafficking carries severe penalties.
3. It is unlawful for any person to use, or to possess with intent to use, to grow, harvest, manufacture, produce, test, store, conceal, inject, ingest, inhale, or otherwise introduce into the human body an unlicensed controlled substance or counterfeit controlled substance. RESIDENTIAL LIFE

(Ayotte Center, Rm AD-127: Hannah Gladstone, Dean of Students, Ext. 216; Area Coordinator Offices: GPH and TH, Ext. 415; Bartlett, Village and Hinman Hall, Ext. 305

Residential Life at Thomas College is designed to provide a healthy environment in which to live and to learn. A Residential Life staff works with students to accomplish this goal, as well as aids residents to learn more about themselves through interaction with others, to develop personal connections and life goals, and to accept the responsibilities associated with group living. Together, the Residential Life staff strives to help each student as an individual, a student, and a citizen. The Office of Residential Life is a part of the Student Affairs Division, under the supervision of the Dean of Students Office, and is comprised of both professional and paraprofessional staff members.

The Area Coordinators of Residential Life and Housing are responsible for all aspects of residence hall management, and for the evolution of a developmental residential program. The positions directly supervise the Resident Assistant staff, provide leadership for residential programming, and promote a safe and productive academic atmosphere in the residence area. The Area Coordinators, along with the Dean of Students, oversee housing assignments and room changes, facilities management, and general responsiveness to residential student needs and issues.

Resident Assistants (RA's) are undergraduate student staff who live in the residence halls and act as peer advisors and resource people, and sponsor programs for resident students. Their primary responsibility is getting to know the students they live with and helping them to make the most of their Thomas College experience by fostering a sense of community. The RA's are knowledgeable about the College and campus resources, make rounds within the buildings when serving as the RA on duty for their building/area, provide programming opportunities for the residents, enforce policies, and can mediate roommate and floor issues as needed.

HOUSING ASSIGNMENT

The College will not discriminate in room or hall assignments on the basis of race, age, marital status, sex, color, religion, national origin, or creed. At the time of initial assignment, an attempt will be made to assign you to the hall and room of your choice. Failure to honor your preference will not void this agreement. Reasonable accommodations will be made for students requiring special assistance to halls that can best accommodate their needs on a space available basis and after consultation with and approval from the Vice President for Student Affairs. Room assignments for new students will be made on the basis of the date that the Housing Application and deposit are received by the College. Assignments for returning students are made according to the spring Room Selection Process. The College reserves the right to consolidate or fill vacancies by requiring the residents to move to alternative accommodations. Students in a Village, Bartlett, or Townhouse double or triple by themselves must either lock in at a single rate, pull in a new roommate or may be re-assigned. Students may not be permitted to keep a Village, Bartlett, or Townhouse double/triple as a single room with the option of keeping it open for a new roommate throughout the year. The

College also reserves the right to change hall or room assignments and to make reassignments to comparable quarters for, but is not limited to, reasons of health, safety, repair services, disciplinary reasons caused by the resident, and/or unresolved incompatibility of roommates. Residents are prohibited from taking a roommate or permitting any part of their room to be shared by a person(s) not assigned by the Office of Residential Life. Students assigned to a designated triple room in the Village may lock it in as a double room (space permitting), however, all furniture must remain in the room for the duration of the academic year (see “Furnishings” policy for more details).

Any student who, in the judgment of the Vice President for Student Affairs or his/her appointee with consultation with the Dean of Students and/or the Provost of the College, is behaving in a manner that appears to endanger the health and safety (physical or emotional) of others or is interfering with the proper functioning of the residential community, may be asked to leave the residence in which he/she resides. This may include exclusion from the residences entirely or the College.

Housing Agreement

The Housing Agreement is an agreement between the College and the individual student. It entitles the student to the use of the resident accommodations only in such a manner as stated in the Housing Agreement and *Student Handbook*. Failure to observe the terms and conditions of the agreement will subject the student to disciplinary action.

Eligibility

To be eligible for campus housing, a student must be currently enrolled at Thomas College as a full-time Day Student (12 credits or more) and have posted the room deposit.

Occupancy Period and Agreement Termination

1. The Housing Agreement, when signed and submitted to the Office of Residential Life and Housing, is binding for the academic year (two semesters) or the balance of the academic year, (if entering after the beginning of the fall semester) and is non-transferable. Residents may terminate this agreement for the second semester by notifying the Vice President for Student Affairs, in writing, prior to December 31, 2017. This also includes students who are assigned to out-of-town teaching or field placement positions for the spring semester. Failure to notify the Vice President for Student Affairs by that date may result in charges for the semester. Exceptions may be made only in cases of illness, extreme hardship, when an occupant leaves for the convenience of the College, and/or if overcrowded conditions exist. Application for termination should be directed to the Vice President for

Student Affairs. The charges in these cases will be determined by the College according to the circumstances of each case. The agreement will terminate for those students who are no longer enrolled at Thomas College at the end of the fall semester.

2. All upper-class students in campus housing are required to purchase a meal plan (unlimited meals, 225 block or 150 block). First year students are required to be on the unlimited meal plan or 225 block meal plan.
3. After the start of a semester, when a full-time day student officially changes from commuter to resident the room, board, and resident technology fees will be prorated by week. Financial aid may be recalculated in the same manner. After the start of a semester, when a full-time day student changes from resident to commuter the room, board, and resident technology fees will be recalculated according to the refund policy. After 60% of the semester has been completed, no change will be made to the student's charges. Financial aid may be recalculated in the same manner.
4. The indicated rate does not include room and board during scheduled College breaks and vacation periods, regardless of academic requirements.
5. New students are entitled to occupy their rooms on the first day of Orientation. Upper-class students may occupy their rooms the day before classes start.
6. Graduating seniors and Accelerated MBA students receiving advanced degrees, may remain in the rooms until 5:00 p.m. on the day of graduation; all other occupants must vacate their rooms within 24 hours after their last exam. In the case of withdrawal, suspension, or dismissal, occupants must vacate at the time of clearance stated by the Vice President for Student Affairs or his/her appointee.
7. A student who has been terminated due to academic reasons automatically forfeits his/her campus housing space.
8. Returning students are eligible for housing through the Spring Room Selection Process by paying the housing deposit by the stated deadline (nonrefundable/nontransferable after May 1st of each year), have all health immunization records on file and up to date in the Health Center and be cleared financially with Student Financial Services by the stated deadline.

Agreement Enforcement

1. The College and student mutually agree that this agreement constitutes a license and not a lease.
2. Signed agreements are in effect upon their receipt in the Office of Residential Life and Housing and upon posting of the room deposit. Failure to request release from the agreement in written form or failure to occupy an assigned room may result in liability for one-half of the semester's room charges.

-
3. Late arrivals: Students must notify the Office of Residential Life and Housing if they plan to arrive later than the first day of classes. Failure to do so may result in forfeiture of agreement and one-half semester's room charges being levied.
 4. The student agrees that continued compliance with the rules and regulations of the College and the State of Maine fire, safety, and health regulations, is a condition of this agreement.
 5. In an effort to provide a healthier environment for all, smoking is prohibited in all College residences (including electronic cigarettes).
 6. Students in violation of any such condition or any other provisions of this agreement will be subject to disciplinary action. Violations also entitle the College to terminate the Housing Agreement and institute eviction procedures if deemed necessary.
 7. Any damage, other than normal wear and tear, will be billed to the student following the room check out process as determined by the Director of Physical Plant and professional Residential Life staff. Review the inventory carefully and address any changes to the Office of Residential Life and Housing.
 8. By signing this agreement, the student also agrees to return the room to its original state before vacating at the end of the year or as a result of agreement termination. Failure to do so may result in a damage or cleaning fee.
 9. The College reserves the right to transfer a student to a different room or residence to better meet occupancy needs of individuals and/or the College.

Room Changes

Room changes may not be permitted during the first two weeks of each semester. Any student changing rooms for the second semester must move to a new room prior to his/her departure for the winter break. Room changes may not be made without authorization from the Office of Residential Life and Housing. Any exceptions may be made by professional Residential Life staff.

Room Consolidations

When a space vacancy occurs, the occupant must choose one of the following options:

1. Select an eligible roommate and complete necessary paperwork.
2. If the occupant, or the College, is unable to locate a roommate, he/she may move or be requested to move to an alternate room.
3. Pay an additional fee per semester (or prorated portion thereof) to guarantee a single/double room. Extension of this option is contingent upon current space needs. *
4. Remain in the room (in compliance with the guidelines under "Housing Assignments") with the understanding that the College may assign a roommate at any time and/or adjust the room occupancy rate. Students are not to discourage prospective roommates; such actions will result in an additional fee, relocation,

and/or fine. When a vacancy occurs, the College reserves the right to assign a new roommate(s) or make reassignments as needed.

*Note: Students in a Village, Bartlett or Townhouse double or triple by themselves must either lock in at a single rate, pull in a new roommate, or may be re-assigned.

College Liability

Personal property of the student or in the custody of the student is not covered by the College for loss by theft, fire, water damage or any other occurrence beyond the control of the College. Students should carry their own insurance protection for personal property.

Summer Housing Policy

1. Summer housing is available for students who are currently enrolled at Thomas College **on a limited basis**.
2. The only students eligible for campus housing are those who are approved for summer College work-study positions, are employed for the summer by College administrative offices, enrolled for summer courses, or who are granted permission to live on campus while working in the area. Consideration will first be given to students taking classes, working in work-study positions or who are employed by the College during the summer. (Note: students must be enrolled in class full time or working full time in order to be eligible for summer housing).
3. Summer housing constitutes the period of time from graduation until a week before classes begin.
4. Discharge from, or termination, of any summer campus employment position for any reason results in loss of summer housing.
5. There are two rental payment options:
 - a. Advanced cash payment for the full summer, or
 - b. Contracted payroll deduction from summer paychecks or College work-study.
6. Students living in summer housing are responsible for their own meals.
7. All College policies are in effect throughout the summer as well as additional summer housing policies (on file in the Office of Residential Life and Housing). Break Housing policies will be in effect during the first and last week of the summer housing period.
8. Thomas College is under no obligation to provide summer employment or housing opportunities for students. This includes graduate or undergraduate students enrolled in spring trimester classes.

Break Housing

During official College breaks, the Residence Halls close and residents are expected to vacate their rooms by 7:00 p.m. on the indicated day.

Exceptions for Break Housing will be considered for reasons such as academics, athletics, work, and travel. Students requesting housing during break periods must submit a letter to the Office of Residential Life and Housing at least two weeks in advance of a scheduled break. Students will be notified prior to the break if they are eligible for Break Housing.

Students on Residential or Disciplinary Probation, or who have a judicial history of property damage, repeated substance policy violations, or other violations may not be eligible for Break Housing (students needing to stay for academic or athletic reasons may request special consideration).

Resident students granted an exception to remain in housing over break periods must attend a mandatory Break Housing meeting and adhere to additional Break Housing policies. **The fee for Break Housing is \$30.00 per night or \$174.00 per week (7 nights).** This fee is waived for residents required to be on campus for academics or athletics or have extended travel requiring that they remain on campus during breaks. Meals are not provided by the College during breaks.

Any resident student who remains in housing any time during the break when housing is closed, without prior arrangements or exception, may be assessed a fee of \$50.00/day or night.

RESIDENCE LIFE POLICIES

Appliances

The following items are not permitted in student rooms: Refrigerators or refrigerator/freezer units exceeding 2.7 cubic feet, hot plates, coffee pots (including Keurig or like machines), toaster ovens, George Foreman or like grills and other electrical appliances, halogen lamps, octopus lamps, electric blankets, space heaters, and irons that are not automatic shut-off. Small microwaves are allowed in student rooms. There should be no more than one microwave and one refrigerator per resident of the room.

Bicycles

Bicycles are not allowed in lounges, hallways, or stairwells due to fire regulations. Where available, bicycles may be placed in outside bicycle racks. Bicycles may be stored in individual rooms as space permits. It is strongly recommended that bicycles be registered with Public Safety in case of theft or vandalism.

Closing Hours

For security purposes, all entrances to the residence hall are locked 24 hours a day. All residents in GPH, Hinman and Bartlett will gain access to their

residence hall with their student ID. GPH, Hinman and Bartlett residents are responsible for the security of their own room. Students residing in the Village are responsible for the security of their own rooms and will have card access to the Village laundry room and common area of Bartlett Hall 24 hours a day. Students residing in a Townhouse Suite are responsible for the security of their own exterior door and interior room doors. Townhouse residents will also have card access to a common area 24 hours a day.

Electrical Extension Cords and Power Strips

Please keep use of extension cords to a minimum. If needed, you must use a UL rated surge protector as regular household extension cords are prohibited due to fire safety. Overloaded power strips and extension cords that do not fit the approved ratings are not allowed in housing. This is a very important fire safety rule - overloaded extension cords can cause fires! Appliances (e.g., refrigerators and computers) should be plugged directly into existing electrical outlets if at all possible. Electric cords may not be run through ceiling tiles, under carpets or be covered by any other material. Likewise, frayed wires are not permitted as they pose a fire hazard to the student and community.

Fire Alarms and Equipment

Any person discovering a fire should pull the nearest fire alarm and report the location to Residential Life staff or Public Safety personnel. Any time the alarm sounds all persons must evacuate the building and remain outside the building until the Fire Department, Public Safety and the Dean of Students or Residential Life professional staff deem it safe to return inside. Falsely setting off the fire system in any manner is a very serious offense that may immediately be referred to the Judicial Board for review. Any person found tampering with fire safety or prevention equipment or interfering with emergency personnel will be subject to disciplinary action to include, at a minimum, Residential Probation and restitution if applicable.

Furnishings

You may arrange your room in any way you like, provided the furnishings are portable, are not moved in a manner they are not intended, and you do not obstruct safe exit from your room. You are responsible for furnishings assigned to you at the beginning of the year. All College owned furniture and accessories may not be removed from the room. Furniture in GPH, Hinman, the Village, Bartlett and Townhouse Suites must remain in the room and are not to be removed or swapped. Lounge and common area furniture are intended for use of ALL students and is not to be removed. Furniture items from residence hall rooms, personal or College owned, are not allowed outside the room. Beds may be bunked; however, bunked beds may not be placed on the high loft settings for reasons of safety. Likewise,

lofted or bunked beds may not be placed on blocks or other items to raise them higher than intended.

Guests

Guests visiting any campus residence overnight or at any time during the designated overnight hours (10:00 p.m. – 8:00 a.m.), must be signed in with either Public Safety or an RA on duty and must carry a guest pass with them at all times. Guests are the responsibilities of their hosts(s) and are expected to adhere to all College policies and guidelines. Guests are not permitted in housing longer than 3 days per week (within a 7-day period). Students who wish to have a guest stay in a shared room must obtain his/her roommate's permission to have guests - BEFORE the guest arrives. Exceptions may be made through Residential Life professional staff.

Hall Sports

Recreational activities involving athletic or play equipment (including, but not limited to, soccer balls, basketballs, footballs, hockey sticks, cleats, etc.) are not allowed in the public areas of the Residence Halls. Water sports of any type (water pistols, water balloons, etc.) are also strictly prohibited.

Health and Safety Inspections

Upon prior notice, Residential Life staff, Public Safety and/or Maintenance staff will conduct periodic room inspections to help insure that all residents are in compliance with health, fire and safety guidelines.

Housekeeping

Residents are expected to maintain and clean their room/suite on a regular basis. Common areas are cleaned by the custodial staff; however, the custodial staff has the right to refuse to clean areas that are intentionally or maliciously dirtied or damaged by students.

Incense and Candles

Due to the extreme fire hazard resulting from the burning of incense or candles, neither is allowed anywhere within the residence halls.

Keys

When a student officially checks into their residence he/she will be issued a room key, mailbox key, and access card. No deposit is required for keys or access cards; however, students will be asked to sign a receipt. All keys and/or access cards must be turned in when checking out of a room/building. Students are responsible for keys/access cards that are lost, stolen, damaged, or not returned at check-out. If a student loses his/her key or access card during the semester, he/she should report this to the Residential Life Office or the Office of Public Safety immediately. The following fees will apply:

Replacement Room Key	\$75.00
Replacement Townhouse Common Area Key.....	\$150.00
Replacement Mailbox Key	\$75.00
Replacement Access Card	\$15.00

For safety and security reasons, any key not returned at check-out will result in restitution to replace the lock.

Painting

The College does not permit students to paint their rooms, suites or doors.

Pets

For health and maintenance reasons, pets are not permitted in College housing except for fish in an aquarium no larger than 5 gallons. Service animals, such as seeing-eye dogs, are permitted with prior approval and appropriate documentation on file in the Vice President for Student Affairs office.

Quiet and Courtesy Hours

Quiet hours are established to assist in creating a positive academic atmosphere in the residence hall during the evening hours. Because study and proper sleep are essential for success, quiet hours are a necessary part of community life. This policy also encourages a sense of community responsibility in being considerate of one another’s needs. Quiet hours are scheduled 11:00 p.m. to 7:00 a.m. Sunday through Thursday and 1:00 a.m. to 8:00 a.m. Friday and Saturday. Grant Hall has extended quiet hours which run from 9:00 p.m. – 8:00 a.m. Sunday through Thursday and 11:00 p.m. to 9:00 a.m. Friday and Saturday. Courtesy hours are in effect 24 hours a day, 7 days a week in all residences, during which time students are to be considerate of the needs of their neighbors and fellow students upon request. Responsibility for quiet hours is shared. All residents are responsible for their own reasonable conduct and for letting others know when they are infringing on the right to a quiet living environment. In persistent cases, do not hesitate to seek help from your own RA, RA on duty, or Public Safety. Extended quiet hours will be in place during final exam week. Loud disturbances of any kind will not be tolerated during quiet hours. Large speakers, musical equipment, subwoofers, bass, etc. in student rooms deemed to be a continued noise issue in the residence halls may be removed by the Office of Residential Life and Housing.

Residence Entry

Each residence is equipped with a security locking system. Residents will be issued the appropriate key/access card to their building (and associated common spaces) upon official check-in. In order to maintain the most effective security for all residents, a student may not give their key/access card to any person not living within their residence. Likewise, only those students who have been assigned to and have access to the building and/or their guests are permitted inside. The use of an unauthorized entrance or

exit, to or from a residence, is prohibited (this includes propping open locked doors, entering through a window, etc.).

Roofs and Roof Access

In the interest of safety, access to building roofs for any reason is strictly prohibited.

Room Care

Rooms should be kept clean and free of safety or health hazards at all times. The use of stickers and nails are not recommended as they may cause excessive damage. Care should be exercised in the use of tape so painted surfaces are not damaged. Damage due to other than normal and reasonable wear and tear will result in charges to responsible individuals. Residents are ultimately responsible for what occurs in their assigned room/suite. At the end of the year all room furniture must be arranged as it was at the time of check-in. Failure to clean a room and arrange the furniture may result in an excessive cleaning fee. Any problems with your room should immediately be addressed to your RA or the Office of Residential Life and Housing.

Room & Common Living Area Damage

Students are responsible for the condition of their own rooms and all furniture and equipment provided to them. Any student with damage to their room or its contents will be charged for restitution. However, any damage to the room or its contents for which no specific person can be charged will be divided equally among the room's occupants and charged to each person's individual account. Similarly, any damage occurring in hallways, restrooms, or other common living areas will be charged to the individual(s) having caused the damage. Any damage that cannot be traced to a specific source will be divided equally amongst all students living on the floor, in a suite/townhouse, in the building, side of Village building, or area.

Room Entry

The College reserves the right to enter any room in a College-owned or leased/operated residence for the purposes of: performing routine or emergency maintenance; to check for fire hazards; for possible health and safety related problems/issues; to confront or deter a policy violation; and for other purposes as the need arises to protect the educational atmosphere of the College. If time or situation permits, an effort will be made to notify the resident(s) of the room in advance before entry. Also, the College may conduct safety or welfare inspections in all College buildings during vacations/breaks or at times deemed necessary by the Vice President for Student Affairs, Dean of Students, Residential Life professional staff, or Director of Physical Plant.

Room Inventory

Your Resident Assistant will go over the inventory of your room and its furnishings when you move in. The purpose of the inventory is to find any conditions that must be reported to Maintenance for repair and to review the condition of the room. This will insure that you will not be held responsible for any problems that predated your arrival. Any discrepancies should be addressed with your RA or the Office of Residential Life prior to signing. Final assessment of damage and cleaning will be determined by the Residential Life and Housing and Physical Plant Offices.

Room/Suite Occupancy Maximum

For issues of safety, rooms/suites will be limited to the number of persons allowed to be present at any one time. The following guidelines have been established regarding room occupancy:

- GPH and Hinman Student Room: 10-person maximum
- Village Student Room: 10-person maximum
- Bartlett 5/6-person Suites: 15-person maximum
- Bartlett 7-person Suites: 20-person maximum
- Townhouse: 20-person maximum

Note: Residential Life and Public Safety staff have the right to request that individuals leave a room for reasons of noise or community disruption.

Smoking/Tobacco

All buildings at Thomas College are smoke free including the use of electronic cigarettes, vaping units and smoking devices. All buildings are also tobacco free (e.g. chew and dip) except within individual student resident rooms. Smoking is prohibited in all parts of all buildings on campus, within 25 feet of all buildings including residence halls, on the southeast and southwest sides of GPH Residence (to include the parking lots and entryway), and at any outdoor College sponsored activities hosted on campus to include outdoor sporting events.

Waterbeds

Waterbeds are not permitted in College residences.

Weight Lifting

Weight lifting and weight lifting equipment are not permitted in College residences.

Windows and Window Screens

For safety reasons, screens may not be removed from room, common area, or hallway windows. Throwing or hanging anything out of a window or use of a window as an egress in non-emergency situations is prohibited.

Windows in Bartlett Hall, Hinman and Townhouse have window stops installed for student safety. These may not be removed for any reason.

Residents may be assessed a maintenance fee if these need to be reinstalled at any time.
