WHAT MAKES US UNIQUE?

3+1 (MASTER’S IN 4)
Thomas is the only college in New England to offer all undergraduate degrees in a 3-year format and graduate degrees in 1 year, striking at the heart of the affordability issue.

GUARANTEED JOB PROGRAM
The first program of its kind in the country. For students who fulfill program requirements, Thomas’s academic approach guarantees a job in their field within six-months of graduation or the college will cover the student’s federal loan payments for up to a year.

PROFESSIONAL AND CAREER DEVELOPMENT
Thomas College offers an unparalleled professional and career development experience that increases employability and social mobility of our students. It is our mission that every student graduates with the personal and professional skills that distinguish them in their professional fields.

Our Vision
Our graduates will have the knowledge, experience, professional and technological skills, and strong sense of personal strengths and purpose to launch a career and meaningfully contribute to their workplaces and communities.

Our Story
Thomas College is a place of hope and opportunity, inspiring the educational and economic ambitions of its students. Established in 1894, Thomas is a private, non-profit college in Waterville, Maine, offering highly relevant, career-focused graduate and undergraduate programs. In the face of tremendous economic and demographic challenges, Thomas College is dynamic and growing – while remaining true to our mission.
