Interviewing

Overview: View Interviewing information and practice answering 10 common interview questions.

Directions:

First, read the interviewing tips and watch the videos on this webpage:

<https://www.thomas.edu/career-alumni/professional-and-career-development/interviewing/>

Then, review the 10 Common Questions Article.

<https://theinterviewguys.com/top-10-job-interview-questions/>

Choose at least five common questions to answer (all 10 is fine, too). Make a video of yourself answering the questions or compose your answers in writing.

Attach your video/file or send a link to your video via an email and send it to:
