

Guarantee the Future Campaign Quick Facts

- 122 donors have made philanthropic commitments to the effort so far
 - This includes 110 donors who have committed \$5,000 or more
- The Harold Alfond Foundation's gift of \$13.5 million, announced today, is the largest philanthropic commitment in the College's history.
- Thomas had an initial campaign goal of \$12 million that it has exceeded.
- We are launching the public phase of the comprehensive campaign with 96.8% raised. Thomas has less than \$1 million left to raise to reach its \$27 million goal.
- The Campaign ends on December 31, 2020.
 - Every gift matters and we want everyone who wishes to participate in this momentous effort to have the opportunity to do so.
- Campaign priorities:
 - **Increase Support for Scholarships**
 - Thomas College has a long tradition of preparing motivated students for successful careers, providing nearly \$10 million in scholarships to undergraduates annually. *Guarantee the Future* will increase endowed scholarship funds so even more deserving applicants – from any background – can access higher education and earn their way to graduation and productive, meaningful careers.
 - **Enhance Student Life and Wellness**
 - Varsity athletes, club sports teams, and the general student body all face usage constraints with our current facilities. The College's athletic facilities must expand to reflect the high quality of our programs as we work to attract even more students to campus.
 - **Support Student Success**
 - A Thomas College education is an engine of social and income mobility for young people. Many Thomas students are of modest means, and the majority are among the first in their families to attend a four-year college. These students face significant challenges as they pursue their educational goals. Thomas creates opportunity and offers support to help students succeed, propelling young people from lower income families into higher earning careers.
 - **The Thomas Fund**
 - The Thomas Fund helps the College sustain its core commitments while allowing flexibility to expand the reach of some of its most critical programs. Through the campaign, Thomas College has increased unrestricted giving to the Thomas Fund, strengthening this robust source of financial flexibility.
