The Campus Housing Agreement is an agreement between the College and the individual student. It entitles the student to the use of campus housing accommodations only in such a manner stated in the agreement. Failure to observe the terms and conditions of this agreement will subject the student to disciplinary action.

**Eligibility**

To become eligible for campus housing, a student must be currently enrolled as a full-time (at least 12 credits) undergraduate student at Thomas College, have their immunization records and files up to date with the Health Center, be in good standing with the Student Financial Services Office and have paid the room deposit by the posted deadline (non- refundable/non-transferable after May 1<sup>st</sup>).

**THE TERMS FOR THIS AGREEMENT ARE FOR THE ENTIRE ACADEMIC YEAR.**

1. The Housing Agreement, when signed and submitted to the Office of Residential Life and Housing, is binding for the academic year (two semesters) or the balance of the academic year, (if entering after the beginning of fall semester), and is non-transferable. New students are entitled to occupy their rooms on the first day of Orientation. Returning students may occupy their rooms the day before classes start. Graduating seniors and graduate students, receiving advanced degrees, may remain in the rooms until 5:00pm on the day of graduation; all other students must vacate their rooms within 24 hours after their last final exam or by Friday of final exam week at 7:00pm – whichever comes first. In the case of withdrawal, suspension, or dismissal, students must vacate at the time of clearance stated by the Vice President for Student Affairs.

Late arrivals: Students must notify the Office of Residential Life and Housing if they plan to arrive later than the first day of classes. Failure to do so may result in forfeiture of agreement and one-half semester's room charges.

Students are not permitted to remain on campus during scheduled College holiday/breaks without exception from the Office of Residential Life and Housing: Thanksgiving, Semester, Winter and Spring vacations. In unusual circumstances, students may request an exception to this policy from the Office of Residential Life and Housing. Students granted an exception may be charged a break housing fee and expected to abide by additional break housing policies. Any person found in campus housing when they are closed without permission will be subject to a conduct review.

2. Students may terminate this agreement for the second semester by notifying the Vice President of Student Affairs or Dean of Students, in writing, prior to December 31, 2019. This also includes students who are assigned to out-of-town teaching or field placement positions for the spring semester. Failure to notify the Vice President for Student Affairs or Dean of Students by this date may result in charges for spring semester. Exceptions may be made only in cases of illness, extreme hardship, when an occupant leaves for the convenience of the College, and/or if overcrowded conditions exist. Application for termination should be directed to the Vice President for Student Affairs or Dean of Students. The charges in these cases will be determined by the College according to the circumstances of

each case. The Housing Agreement will terminate for those students who are no longer enrolled at Thomas College at the end of fall semester.

After the start of a semester, when a full-time day student officially changes from commuter to resident, the room, board, and resident fees will be prorated by week. Financial aid may be recalculated in the same manner. After the start of a semester, when a full-time day student changes from resident to commuter, the room, board and resident fees will be recalculated according to the refund policy. After 60% of the semester has been completed, no change will be made to the student's charges. Financial aid may be recalculated in the same manner. After May 1<sup>st</sup>, any change in status will result in a forfeit of the housing deposit paid to secure a room (non-refundable and non-transferable).

A student who has been terminated due to academic, administrative or disciplinary reasons automatically forfeits his/her campus housing space. In this instance, the student is responsible to make arrangements to pick up all belongings and check out of housing within 48 hours of notification.
