

From Portland Magazine's May 2001 Issue, page 31:

Top 75 Web Sites in Maine

www.thomas.edu

“One of the most innovative educational sites anywhere. Thomas College's site has been ranked as the 22nd best of more than 800 college sites surveyed nationwide. Thomas has the only web site in Maine to be named in the top 100 list issued by the National Research Center for College and University Admissions. The site will actually dynamically create a page for each prospective student.”
