**Cross-Registration Form**

Thomas College offers a cross-registration program for the purpose of expanding the institutions' academic offerings. Upperclass, full-time, degree-seeking students at Thomas College may register on a space-available basis and with the approval of the host college. Students electing a cross-registration course pay their Thomas College tuition and owe no additional tuition to the other college. However, students must pay for books, supplies, and any other fees incurred as a result of taking a cross-registration course.
