

# COMPETE VIRTUALLY IN THE 6TH ANNUAL THOMAS CUP!

## Thomas Cup in a Box – Register by 1/8

CHOOSE YOUR TIME TO COMPETE! FRIDAY 1/29 (7AM-7PM) OR FRIDAY 1/29 – SATURDAY 1/30 (OVERNIGHT - 8PM TO 8AM)

This year, the Thomas Cup has been re-imagined to be an off-campus, **virtual** event and will be called the Thomas Cup in a Box. Competitors will receive a box of materials from the College with directions and materials to support the online competition, where students will engage in coding, innovation, esports, robotics, crime scene investigation, and cyber defense. Successful teams will have strong communication, collaboration, teamwork, critical thinking, and innovation skills.

Each member of the winning team from the **Thomas Cup in a Box** event can take home up to **\$10,000** in scholarships to Thomas College.

### WHO

Open to all high school students (including home school) in teams of 3-5

### WHEN

Challenges begin December 7th and conclude January 30th. See below for specific competition dates and registration deadlines.

### WHERE

Everywhere! Thomas College will provide access to a moderated online platform that will allow students to participate from the safety of their own homes.

### COST

Free

### Additional Week-long Challenges

Competitors have a whole week to focus on their favorite activity.

#### WEEK OF 12/7 Register by 12/4 **Coding and Innovation Challenge**

Learn to Code. Tell your favorite childhood story. Play in the Minecraft world.

#### WEEK OF 12/14 Register by 12/11 **Crime Scene Investigation (CSI) Challenge**

Find clues. Think critically. Solve a crime.

#### WEEK OF 1/11 Register by 1/5 **Esports Competition**

Choose your role. Find treasure. Protect your ship.

#### WEEK OF 1/18 Register by 1/8 **Virtual Robotics Competition**

Make a plan. Code your robot. Finish the mission.
