Application for Minor

Business Department minors are available in the following disciplines: Accounting, Finance, Hospitality, Management, Marketing, Sport Management. A business minor consists of 18 credit hours. The faculty advisor will work with the student to determine appropriate courses for each minor when options are available.

Arts and Sciences minors are available in the following disciplines: Criminal Justice, Education, English, Philosophy, Political Science, Psychology, Pre-Law, Science and Sociology. Arts & Sciences minors generally consists of 18 credit hours, 12 of which must be courses beyond core requirements and not already part of the student's major.

Specific course requirements for each minor are located in the College Catalog. The student's minor will be indicated on the student's transcript but not on the diploma.
