The Digital Badging Program at Thomas College is designed to help increase your employability. The key to your success is to be able to articulate what you know and are able to do by using clear examples and evidence. During FY110, you will have the opportunity to practice this process while earning some of the badges below.

**Assignment:** Follow the directions on the following pages to earn at least TWO of the badges listed below by your final class (Week of 11/15). At the end of your FY110 course you also will be asked to share how you earned each badge via a presentation to your classmates.

Remember to access resources across the campus that can help you with this assignment!

- Student Success Staff
- Academic Coaches
- TRIO Specialists
- JMG Specialists
- Career Coaches
- Career Navigators
- Resident Assistants
- Student Affairs Staff
- Nurse Practitioner
- Mental Health Counselor
- Athletic Coaches
- Other faculty and staff!

**Note:** At Thomas College, you will have several opportunities to earn digital badges. While these badges for FY110 do NOT count as Professional Credentials of Value for the Guaranteed Job Program (GJP), they will help you gain the skills needed to earn the other badges, and more importantly they will prepare you for success in your time at Thomas and in your future career. The badges that DO count for the GJP include: Advocate, Career Ready, Critical Thinker, Design Thinking, Digital Terrier, Leader, Responsible Citizen, and Team Player.
Difficult Conversations

Earners of this badge have demonstrated that they can actively participate (listen and communicate) in a difficult conversation. They are able to articulate the strategies they used to successfully navigate that conversation and can reflect on how those same strategies can be used in the future.

My activity/project idea is: ____________________________________________

**How to Earn this Badge**

**Step 1:** Think about a situation that could be improved if you were willing to engage in a difficult conversation.

**Step 2:** Make a plan for that conversation.

**Step 3:** Thoughtfully lean into an uncomfortable conversation such that you can advocate for your needs and listen to the perspectives of others - ultimately learning and growing in the process.

**Step 4:** Earn the badge by

A) submitting evidence on the [Digital Badging Moodle Site](#)

OR

B) articulating what you've done to a person who can award the badge to you (FY110 Instructors, Centers for Innovation Instructors, Student Affairs Staff, or Academic Coaches).

**Activity/Project Ideas**

- Attend Diversity Week Events or Safe Space Training.

- Engage in a difficult conversation with a friend, roommate, family member, faculty or staff member, etc.

- In-class discussions that would be considered a “difficult conversations”

- Work with a Career Navigator on a group project that helps others learn the skill of having difficult conversations.

- You're welcome to propose a different idea!
