# MASTER OF SCIENCE Criminology

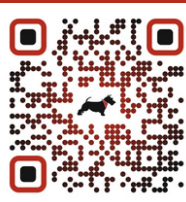

Online

The Master's in Criminology is a unique program in the state of Maine and in the field of criminology. Thomas College is the only Maine college offering a master's degree in Criminology. Understanding the criminal mind is a critical skill for today's law enforcement officers and public administrators. You'll gain insight into crime causation and learn how to analyze data to effect change.

**13%**

of people nationwide  
have a master's degree.
