"Thomas College connected me with the people in real-life scenarios like Mike from the Harold Alfond Institute for Business of Innovation. He brings a lot of energy into HAIBI and a lot of encouragement and hope. I came to him with a wild idea back a year ago and it felt like he was the only person who supported me in that sense. He provides you with a lot of comfort and support to start these goals that sometimes feel very out there and feel impossible. HAIBI sparked that for me and encouraged me to explore this idea and make it happen."
