Why Esports and Gaming Administration at Thomas College?

From players to programmers, the gaming industry is booming and needs business-minded leaders. Gaming Administration professionals need a lot of expertise: not just tech and business, but a solid understanding of games and gaming culture as well. With this unique program, you'll stand out against other applicants in the field. Plus, Gaming Administration is one of the fastest growing fields within sport management.

This academic program allows students to take specialty courses, including classes from a consortium of colleges, that then would develop a stronger career path in esports and gaming administration.
