

Residence Halls: Grant, Parks, Heath (GPH)

[Music]

Hello. My name is Jim, again. We're going to tour our Grant, Parks and Heath Residence Hall, commonly referred to as GPH. In this residence hall we will find three different buildings that are attached by a common area. All of the rooms are doubles. Every floor has a community assistant supporting the students on that floor.

In this space, there is a large common area that has a pool table, space for students to hang out, a computer lab, and the building has a kitchenette for students looking to cook and provide some of their own meals, as well as the ability to mingle and move from floor to floor easily, so students can really be part of that community that we talk about here at Thomas.

Also, this is a building that has upper classmen and first years that live within it. They are separated by building and floors, and our buildings in Parks are co-ed flooring.

Also on campus, you'll find that all of our res halls have free laundry services within them or nearby that any student can use.
