

Residence Halls: Townhouses

[Music]

Hello! My name is Jim. Let's go for a tour of our townhouse residence halls. In these areas you'll find that there are two floors to each space with a small common living space on the first floor. They're made up of six single rooms and a double room, making them very popular with our upper classman students. You will also find that everyone has a bathroom on each floor.

And when we're down here in townhouse, you're the furthest away from campus. But students like that, they get to kind of be on their own and they enjoy the peacefulness of this end of campus.

Also on campus, you'll find that all of our res halls have free laundry services within them or nearby that any student can use.
