

Residence Halls: Village Residences

[Music]

Hello guys. My name is Jim and we're going to go on a tour of our Village Residence Hall. These rooms are all double and triple rooms with their own individual bathroom. In our village rooms that are triples we will find that some students opt to have a lofted bed. This provides them extra space under the bed where they can store their desk or their bureau or other items of their choosing.

The Village Residence Halls also have access to the lower lobby of our Barlett Residence Hall where there's a computer lab, study space, a lounge, and a kitchenette for them to cook when they're looking to cook food.

Like all of our residence halls, there are Community Assistants that live in our Village Residences and they're there to support the students living in these spaces.

Also on campus, you'll find that all of our res halls have free laundry services within them or nearby that any student can use.
